CHAPTER 977
SENATE BILL 67

AN ACT TO PROVIDE A TAX CREDIT FOR THE USE OF NORTH CAROLINA

Whereas, the State of North Carolina ranks first in the Southeast in exporting; and

Whereas, the North Carolina State Ports Authority serves hundreds of industries and businesses in North Carolina by moving over eight million tons of cargo from its ports on an annual basis; and

Whereas, seventy percent (70%) of the State's imports and exports are shipped from ports outside the State; and

Whereas, the State ports at Wilmington and Morehead City have the capacity to accommodate additional vessel calls and cargo; and

Whereas, the increased use of the State's seaports would enhance and accelerate economic development in the State; Now, therefore,

Section 1. Division I of Article 4 of Chapter 105 of the General Statutes is amended by adding a new section to read:

"§ 105-130.41. Credit for North Carolina State Ports Authority wharfage and handling charges on exports.

(a) Credit. – A corporation utilizing the deepwater docks at the Wilmington or Morehead City ports for the export of cargo that is loaded on an ocean carrier calling at either port is allowed a credit against the tax imposed by this Division. The amount of credit allowed is equal to the excess of the charges paid, directly or indirectly, by the corporation on exported, processed cargo for the current taxable year over an amount equal to the average of the charges paid by the corporation on exported, processed cargo for the current taxable year and the two preceding taxable years. The credit applies to the following charges on exported, processed cargo assessed by the Ports Authority: wharfage, handling charges on break bulk cargo or LCL (less-than-container-load) cargo, bulk through put charges, and the equivalent or like charges on container cargo. To obtain the credit, a corporation must provide to the Secretary a statement from the State Ports Authority certifying the amount of charges paid by the corporation for which a credit is claimed and any other information required by the Secretary.

(b) Limitations. – This credit may not exceed fifty percent (50%) of the amount of tax imposed by this Division for the taxable year reduced by the sum of all credits allowable under this Division, except tax payments made by or on behalf of the corporation. Any unused portion of the credit may be carried forward for the

succeeding five years. The maximum cumulative credit that may be claimed by a corporation under this section is one million dollars (\$1,000,000).

(c) Definitions. – For purposes of this section, the terms 'handling' and 'wharfage' have the meanings provided in the State Ports Tariff Publications, 'Wilmington Tariff, Terminal Tariff #6,' and 'Morehead City Tariff, Terminal Tariff #1.' For purposes of this section, the term 'through put' has the same meaning as 'wharfage' but applies only to bulk products, both dry and liquid."
