

**GENERAL ASSEMBLY OF NORTH CAROLINA  
SESSION 2001**

**SESSION LAW 2001-448  
SENATE BILL 352**

AN ACT TO EXTEND TO ADDITIONAL REAL PROPERTY THE LIEN THAT ATTACHES IF A PERSON FAILS TO REMEDY A PUBLIC HEALTH NUISANCE.

The General Assembly of North Carolina enacts:

**SECTION 1.** G.S. 160A-193 reads as rewritten:

**"§ 160A-193. Abatement of public health nuisances.**

(a) A city shall have authority to summarily remove, abate, or remedy everything in the city limits, or within one mile thereof, that is dangerous or prejudicial to the public health or public safety. The expense of the action shall be paid by the person in default, and, if not paid, shall be a lien upon the land or premises where the trouble arose, and shall be collected as unpaid taxes default. If the expense is not paid, it is a lien on the land or premises where the nuisance occurred. A lien established pursuant to this subsection shall have the same priority and be collected as unpaid ad valorem taxes.

(b) The expense of the action is also a lien on any other real property owned by the person in default within the city limits or within one mile of the city limits, except for the person's primary residence. A lien established pursuant to this subsection is inferior to all prior liens and shall be collected as a money judgment. This subsection shall not apply if the person in default can show that the nuisance was created solely by the actions of another."

**SECTION 2.** G.S. 160A-432 reads as rewritten:

**"§ 160A-432. Civil and equitable enforcement.**

(a) Civil Enforcement. – Whenever any violation is denominated a misdemeanor under the provisions of this Part, the city, either in addition to or in lieu of other remedies, may initiate any appropriate action or proceedings to prevent, restrain, correct, or abate the violation or to prevent the occupancy of the building or structure involved.

(b) Equitable Enforcement. – In the case of a nonresidential building or structure declared unsafe under G.S. 160A-426(b), a city may, in lieu of taking action under subsection (a), cause the building or structure to be removed or demolished. The amounts incurred by the city in connection with the removal or demolition shall be a lien against the real property upon which the cost was incurred. The lien shall be filed, have the same priority, and be collected in the same manner as liens for special assessments provided in Article 10 of this Chapter. If the building or structure is removed or demolished by the city, the city shall sell the usable materials of the building and any personal property, fixtures, or appurtenances found in or attached to the building. The city shall credit the proceeds of the sale against the cost of the removal or demolition. Any balance remaining from the sale shall be deposited with the clerk of superior court of the county where the property is located and shall be disbursed by the court to the person found to be entitled thereto by final order or decree of the court.

(b1) Additional Lien. – The amounts incurred by the city in connection with the removal or demolition shall also be a lien against any other real property owned by the owner of the building or structure and located within the city limits or within one mile of the city limits, except for the owner's primary residence. The provisions of subsection

(b) of this section apply to this additional lien, except that this additional lien is inferior to all prior liens and shall be collected as a money judgment.

(c) Nothing in this section shall be construed to impair or limit the power of the city to define and declare nuisances and to cause their removal or abatement by summary proceedings, or otherwise."

**SECTION 3.** G.S. 160A-443(6) reads as rewritten:

**"§ 160A-443. Ordinance authorized as to repair, closing, and demolition; order of public officer.**

Upon the adoption of an ordinance finding that dwelling conditions of the character described in G.S. 160A-441 exist within a city, the governing body of the city is hereby authorized to adopt and enforce ordinances relating to dwellings within the city's territorial jurisdiction that are unfit for human habitation. These ordinances shall include the following provisions:

...  
(6) Liens. –

a. That the amount of the cost of repairs, alterations or improvements, or vacating and closing, or removal or demolition by the public officer shall be a lien against the real property upon which the cost was incurred, which lien shall be filed, have the same priority, and be collected as the lien for special assessment provided in Article 10 of this Chapter.

b. If the real property upon which the cost was incurred is located in an incorporated city, then the amount of the cost is also a lien on any other real property of the owner located within the city limits or within one mile thereof except for the owner's primary residence. The additional lien provided in this sub-subdivision is inferior to all prior liens and shall be collected as a money judgment.

c. If the dwelling is removed or demolished by the public officer, he shall sell the materials of the dwelling, and any personal property, fixtures or appurtenances found in or attached to the dwelling, and shall credit the proceeds of the sale against the cost of the removal or demolition and any balance remaining shall be deposited in the superior court by the public officer, shall be secured in a manner directed by the court, and shall be disbursed by the court to the persons found to be entitled thereto by final order or decree of the court. Nothing in this section shall be construed to impair or limit in any way the power of the city to define and declare nuisances and to cause their removal or abatement by summary proceedings, or otherwise.
