The resolution shall call on the local board of elections to conduct the election described in the resolution and shall state the date on which the special election is to be conducted. In setting the date, counties, municipalities, and special districts are encouraged to set a date that will result in the highest possible voter turnout. However, the special election may be held only as follows:

(1) At the same time as any other State or county general election.
(2) At the same time as the primary election in any even-numbered year.
(3) At the same time as any other election requiring all the precincts in the county to be open.
(4) At the same time as a municipal general election, if the special election is within the jurisdiction of the municipality only.

(b) Legal notice of the special election shall be published no less than 45 days prior to the special election. The local board of elections shall be responsible for publishing the legal notice. The notice shall state the date and time of the special election, the issue to be submitted to the voters, and the precincts in which the election will be held. This subsection shall not apply to bond elections.

(c) The last sentence of subsection (a) of this section shall not apply to any special election related to the public health or safety, including a vacancy in the office of sheriff or a bond referendum for financing of health and sanitation systems, if the governing body adopts a resolution stating the need for the special election at a time different from any other State, county, or municipal general election or the primary in any even-numbered year.

(d) The last sentence of subsection (a) of this section shall not apply to municipal incorporation or recall elections pursuant to local act of the General Assembly.

(e) The last sentence of subsection (a) of this section shall not apply to municipal elections to fill vacancies in office pursuant to local act of the General Assembly where more than six months remain in the term of office, and if less than six months remain in the office, the governing board may fill the vacancy for the remainder of the unexpired term notwithstanding any provision of a local act of the General Assembly.

(1971, c. 835, s. 1; 1973, c. 793, s. 86; 1993 (Reg. Sess., 1994), c. 762, s. 65; 2011-31, s. 7; 2013-381, s. 10.1; 2014-111, s. 17.5(a); 2017-6, s. 3; 2018-146, s. 3.1(a), (b).)

§ 163-288. Registration for city elections; county and municipal boards of elections.

The registration record of the county board of elections shall be the official registration record for voters to vote in all elections, city, district, county, State or national. (1971, c. 835, s. 1; 1973, c. 793, s. 87; 1981, c. 33, s. 5; 1991 (Reg. Sess., 1992), c. 1032, s. 7; 1993 (Reg. Sess., 1994), c. 762, s. 66; 2011-31, s. 8; 2017-6, s. 3; 2018-146, s. 3.1(a), (b).)

§ 163-288.1. Activating voters for newly annexed or incorporated areas.

(a)   Whenever any new city or special district is incorporated or whenever an existing city or district annexes any territory, the city or special district shall cause a map of the corporate or district limits to be prepared from the boundary descriptions in the act, charter or other document creating the city or district or authorizing or implementing the annexation. The map shall be delivered to the county board of elections conducting the elections for the city or special district. The board of elections shall then activate for city or district elections each voter eligible to vote in the city or district who is registered to vote in the county to the extent that residence addresses shown on the county registration certificates can be identified as within the limits of the city or special district. Each voter whose registration is thus activated for city or special district elections shall be so notified by mail. The cost of preparing the map of the newly incorporated city or special district or of the newly annexed area, and of activating voters eligible to vote therein, shall be paid by the city or special district. In lieu of the procedures set forth in this section, the county board of elections may use either of the methods of registration of voters set out in G.S. 163-288.2 when activating voters pursuant to the incorporation of a new city or election of city officials or both under authority of an act of the General Assembly or when activating voters after an annexation of new territory by a city or special district under Chapter 160A, Article 4A, or other general or local law.

(b)   Each voter whose registration is changed by the county or municipal board of elections in any manner pursuant to any annexation or expunction under this subsection shall be so notified by mail.

(c)   The State Board of Elections shall have authority to adopt regulations for the more detailed administration of this section. (1971, c. 835, s. 1; 1973, c. 793, s. 88; 1977, c. 752, s. 1; 2011-31, s. 9; 2017-6, s. 3; 2018-146, s. 3.1(a), (b).)

§ 163-288.1A. Activating voters when charter revised.

Whenever a city has not held the most recent two elections required by its charter or this Chapter, and the General Assembly amends the charter of that city and provides that the county board of elections shall conduct the elections of that city, voters shall be activated for the elections of that city in accordance with G.S. 163-288.1 or G.S. 163-288.2. In such a case, the county shall prepare the map required by G.S. 163-288.1(a). (1985, c. 350; 2017-6, s. 3; 2018-146, s. 3.1(a), (b).)

§ 163-288.2. Registration in area proposed for incorporation or annexed.

(a)   Whenever the General Assembly incorporates a new city and provides in the act of incorporation for a referendum on the question of incorporation or for a special election for town officials or for both, or whenever an existing city or special district annexes new territory under the provisions of Chapter 160A, Article 4A, or other general or local law, the board of elections of the county in which the proposed city is located or in which the newly annexed territory is located shall determine those individuals eligible to vote in the referendum or special election or in the city or special district elections. In determining the eligible voters the board may, in its discretion, use either of the following methods:

METHOD A. – The board of elections shall prepare a list of those registered voters residing within the proposed city or newly annexed territory. The board shall make this list available for public inspection in its office for a two-week period ending on the twenty-fifth day before the day of the referendum or special election, or the next scheduled city or special district election. During

this period, any voter resident within the proposed city or newly annexed territory and not included on the list may cause his name to be added to the list. At least one week and no more than two weeks before the day the period of public inspection is to begin, the board shall cause notice of the list's availability to be posted in at least two prominent places within the proposed city or newly annexed territory and may cause the notice to be published in a newspaper of general circulation within the county. The notice shall state that the list has been prepared, that only those persons listed may vote in the referendum or special election, that the list will be available for public inspection in the board's office, that any qualified voter not included on the list may cause his name to be added to the list during the two-week period of public inspection, and that persons in newly annexed territory should present themselves so their registration records may be activated for voting in city or special district elections in the newly annexed territory. Notice may additionally be made on a radio or television station or both, but such notice shall be in addition to the newspaper and other required notice.

METHOD B. – The board of elections shall conduct a special registration of eligible persons desiring to vote in the referendum or special election or in the newly annexed territory. The registration records shall be open for a two-week period (except Sundays) ending on the twenty-fifth day before the day of the referendum or special election or the next scheduled city or special district election. On the two Saturdays during that two- week period, the records shall be located at the voting place for the referendum or special election or the next scheduled city or special district election; on the other days it may, in the discretion of the board, be kept at the voting place, at the office of the board, or at the place of business of a person designated by the board to conduct the special registration. At least one week and no more than two weeks before the day the period of special registration is to begin, the board shall cause notice of the registration to be posted in at least two prominent places within the proposed city or newly annexed territory and may cause the notice to be published in a newspaper of general circulation within the county. The notice shall state the purpose and times of the special registration, the location of the registration records, that only those persons registered in the special registration may vote in the referendum or special election, and that persons in newly annexed territory should present themselves so their registration records may be activated for voting in city or special district elections in the newly annexed territory. Notice may additionally be made on a radio or television station or both, but such notice shall be in addition to the newspaper and other required notice.

(b)   Only those persons registered pursuant to this section may vote in the referendum or special election, provided, however, that in cases where voters are activated under either Method A or B to vote in a city or special district that annexes territory, the city or special district shall permit them to vote in the city or special district's election and shall, as well, permit other voters to vote in such elections who did not register under the provisions of this section if they are otherwise registered, qualified and eligible to vote in the same. (1973, c. 551; 1977, c. 752, s. 2; 1981, c. 33, s. 6; 1989, c. 93, s. 9; 1991 (Reg. Sess., 1992), c. 1032, s. 9; 1993 (Reg. Sess., 1994), c. 762, s. 67; 2017-6, s. 3; 2018-146, s. 3.1(a), (b).)

§ 163-288.3. Payment of cost of elections on question of formation of a new municipality or special district.

Whenever a referendum or election is held on the question of incorporation of a new municipality or the formation of a special district, the cost of the election shall be paid by the new municipality or special district in the event the voters approve of incorporation or creation and the new municipality or special district is established. If the voters disapprove and the new

municipality or special district is not established, the cost of the election shall be paid by the county. The cost of the election shall be advanced by the county, which shall be reimbursed within 18 months of the date of election, by the municipality or special district if it is established. (1981, c. 786, s. 1; 2017-6, s. 3; 2018-146, s. 3.1(a), (b).)

§ 163-289. Right to challenge; challenge procedure.

(a)   The rules governing challenges in municipal elections shall be the same as are now applicable to challenges made in a county election, provided however, any voter who challenges another voter's right to vote in any municipal or special district election must reside in such municipality or special district.

(b)   Whenever a challenge is made pursuant to this section, the appropriate board of elections shall process such challenge in accordance with the provisions of Article 8 of this Chapter as such Article is applicable. (1971, c. 835, s. 1; 1973, c. 793, s. 89; 2011-31, s. 10; 2017-6, s. 3; 2018-146, s. 3.1(a), (b).)

§ 163-290. Alternative methods of determining the results of municipal elections.

(a)   Each city, town, village, and special district in this State shall operate under one of the following alternative methods of nominating candidates for and determining the results of its elections:

(1)   The partisan primary and election method set out in G.S. 163-291.
(2)   The nonpartisan primary and election method set out in G.S. 163-294.
(3)   The nonpartisan plurality method set out in G.S. 163-292.
(4)   The nonpartisan election and runoff election method set out in G.S. 163-293.

(b)   Each city whose charter provides for partisan municipal elections as of January 1, 1972, shall operate under the partisan primary and election method until such time as its charter is amended to provide for nonpartisan elections. Each city, town, village, and special district whose elections are by charter or general law nonpartisan may select the nonpartisan primary and election method, the nonpartisan plurality method, or the nonpartisan election and runoff election method by resolution of the municipal governing board adopted and filed with the State Board of Elections not later than 5:00 P.M. Monday, January 31, 1972, except that a city whose charter provides for a nonpartisan primary as of January 1, 1972, may not select the plurality method unless its charter is so amended. If the municipal governing board does not exercise its option to select another choice before that time, the municipality shall operate under the method specified in the following table:

Cities, towns and villages of
less than 5,000   Plurality
Cities, towns and villages of
5,000 or more   Election and Runoff Election
Special districts   Plurality

After January 31, 1972, each city, town and village may change its method of election from one to another of the methods set out in subsection (a) by act of the General Assembly or in the manner provided by law for amendment of its charter. (1971, c. 835, s. 1; 2017-6, s. 3; 2018-146, s. 3.1(a), (b).)
