

§ 105-501. Distribution of additional taxes.

(a) Method. – The Secretary must, on a monthly basis, allocate to each taxing county the net proceeds of the additional one-half percent (1/2%) sales and use taxes collected in that county under this Article. If the Secretary collects taxes under this Article in a month and the taxes cannot be identified as being attributable to a particular taxing county, the Secretary must allocate the net proceeds of these taxes among the taxing counties in proportion to the amount of taxes collected in each county under this Article in that month.

The Secretary must divide and distribute the funds allocated to a taxing county each month under this section between the county and the municipalities located in the county in accordance with the method by which the one percent (1%) sales and use taxes levied in that county pursuant to Article 39 of this Chapter or Chapter 1096 of the 1967 Session Laws are distributed. No municipality may receive any funds under this section if it was incorporated with an effective date of on or after January 1, 2000, and is disqualified from receiving funds under G.S. 136-41.2. No municipality may receive any funds under this section, incorporated with an effective date on or after January 1, 2000, unless a majority of the mileage of its streets are open to the public.
