HOUSE BILL 1104

Short Title: Water/Sewer District Annexation.

(Public)

Sponsors: Representative Stewart.

Referred to: Government.

April 7, 1989

A BILL TO BE ENTITLED

AN ACT TO ELIMINATE THE REQUIREMENT THAT ALL PROPERTY OWNERS MUST BE NOTIFIED OF A HEARING ON ANNEXATION TO A COUNTY WATER AND SEWER DISTRICT WHEN THE PROCEEDING WAS INITIATED BY A PETITION OF ALL SUCH OWNERS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 162A-87.1 reads as rewritten:

"§ 162A-87.1. Extension of water and sewer districts.

(a) Standards. – The board of commissioners may, by resolution, annex territory to any water and sewer district upon a finding that:

(1) The area to be annexed is contiguous to the district, with at least one eighth of the area's aggregate external boundary coincident with the existing boundary of the district;

(2) The residents of the territory to be annexed will benefit from the annexation; and

(3) It is economically feasible to provide the proposed service or services in the annexed district without unreasonable or burdensome annual tax levies.

(b) Annexation by Petition. – The board of commissioners may, by resolution, extend by annexation the boundaries of any water or sewer district when one hundred percent (100%) of the real property owners of the area to be annexed have petitioned the board for annexation to the water and sewer district.

(c) Annexation of Property within a City or Sanitary District. – Territory lying within the corporate limits of a city or sanitary district may not be annexed to a water

1 and sewer district unless the governing body of the city or sanitary district agrees, by
2 resolution, to the annexation.

3 (d) Report. – Before the public hearing required by subsection (e) of this section,
4 the board of commissioners shall have prepared a report containing:

5 (1) A map of the water and sewer district and the adjacent territory,
6 showing the present and proposed boundaries of the district; and

7 (2) A statement showing that the area to be annexed meets the standards
8 and requirements established in subsections (a), (b), or (c) of this
9 section.

10 The report shall be available for public inspection in the office of the clerk of the board
11 of commissioners for at least two weeks before the date of the public hearing required
12 by subsection (e) of this section.

13 (e) Hearing and Notice. – The board of commissioners shall hold a public
14 hearing before adopting any resolution extending the boundaries of a water and sewer
15 district. Notice of the hearing shall state the date, hour, and place of the hearing and its
16 subject, and shall include a statement that the report required by subsection (d) of this
17 section is available for inspection in the office of the clerk of the board of
18 commissioners. The notice shall be published at least once not less than one week
19 before the date of the hearing. In addition, unless the hearing is because of a petition for
20 annexation submitted under subsection (b) of this section, the notice shall be mailed, at
21 least four weeks before the date of the hearing, to the owners, as shown by the county
22 tax records as of the preceding January 1, of all property located within the area to be
23 annexed. The notice may be mailed by any class of U.S. mail which is fully prepaid.
24 The person designated by the board of commissioners to mail the notice shall certify to
25 the board of commissioners that the mailing has been completed, and his certificate
26 shall be conclusive in the absence of fraud.

27 (f) Effective Date. – The resolution extending the boundaries of the district shall
28 take effect at the beginning of a fiscal year commencing after its passage, as determined
29 by the board of commissioners."

30 Sec. 2. This act is effective upon ratification.
