24 Sec. 7. Chapter 20 of the General Statutes is amended by adding a new
25 section to read:

26 "**§ 20-97.1. Regional Transportation Authority Registration Tax.**

27 (a) In accordance with this section, a Regional Transportation Authority

29 license tax upon any motor vehicle with a tax situs within its territorial jurisdiction as
30 defined by G.S. 160A-602.

31 (b) The purpose of the tax levied under this section is to raise revenue for capital
32 and operating expenses of a Regional Transportation Authority in providing a public
33 transportation system.

34 (c) The annual levy under this section must be a full dollar amount, but may not
35 exceed five dollars (\$5.00) per year.

36 (d) The Board of Trustees of a Regional Transportation Authority may levy the
37 tax provided by this section by passage of a resolution, after not less than 10 days'
38 public notice and after a public hearing. Collection of the tax, and liability therefor,
39 shall begin and continue only on and after the first day of a calendar month set by the
40 Board of Trustees in the resolution levying the tax, which shall in no case be earlier than
41 the first day of the third calendar month after the adoption of the resolution.

42 (e) The Board of Trustees, upon adoption of the resolution, shall cause a certified
43 copy of the resolution to be delivered immediately to the Division of Motor Vehicles.
44 Upon receipt of the certified copy, the Division of Motor Vehicles shall proceed to

1 collect and administer the tax at the same time and in the same manner as in G.S. 20-87
2 (1), (2), (4), (5), (6), and (7), and G.S. 20-88.

3 (f) The Commissioner of Motor Vehicles may adopt such rules as are necessary
4 and proper to implement this section.

5 (g) The Board of Trustees may, by resolution, proceed to terminate the levy and
6 the imposition of the tax under this section under the same procedures as subsections (d)
7 and (e) of this section, and may likewise increase or decrease the amount of the tax
8 under such procedures, subject to the limitations of subsections (c) or (h) of this section.

9 (h) No liability for any tax levied under this section which shall have attached
10 prior to the effective date on which a levy is terminated or reduced shall be discharged
11 as a result of such termination or reduction, and no right to a refund of tax or otherwise,
12 which shall have accrued prior to the effective date on which a levy is terminated or
13 reduced shall be denied as a result of such termination. Collection of the increased or
14 decreased tax, and liability therefor, shall begin and continue only on and after the first
15 day of a calendar month set by the Board of Trustees in the resolution increasing or
16 reducing the tax, which shall in no case be earlier than the first day of the third calendar
17 month after the adoption of the resolution. The effective date of the termination of the
18 tax shall be only on and after the first day of a calendar month set by the Board of
19 Trustees in the resolution terminating the tax, which shall in no case be earlier than the
20 first day of the third calendar month after the adoption of the resolution.

21 (i) Only vehicles required to pay a tax under G.S. 20-87(1), (2), (4), (5), (6), and

23 prorated in accordance with G.S. 20-66 or G.S. 20-95, as applicable.

24 (j) The fact that the county listed by the owner under G.S. 105-314 as the county
25 where the vehicle is subject to ad valorem taxation is within the territorial jurisdiction of
26 the Authority shall be **prima facie** evidence that the vehicle has a tax situs within the
27 territorial jurisdiction of the Authority.

28 (k) Taxes paid under this section shall be credited to a special fund, and the net
29 proceeds disbursed quarterly to the appropriate Regional Transportation Authority.
30 Interest credited to the fund shall be disbursed quarterly to the Highway Fund to
31 reimburse the Division of Motor Vehicles for the cost of collecting and administering
32 the tax.

33 (l) No regional transportation authority may adopt any resolution to levy any tax
34 under this section, or increase the amount of the levy, unless the special tax board of
35 that authority has passed a resolution approving of the levy or increase in amount,
36 unless such levy or increase in tax is necessary for debt service on bonds or notes that
37 special tax board had previously approved under G.S. 159-51 or G.S. 159-85."

38 Sec. 8. G.S. 105-314(a) reads as rewritten:

39 "(a) Every motor vehicle owner applying to the State Division of Motor Vehicles
40 for motor vehicle license tags, or for renewal of such, shall specify in the application the

43 therefor, shall be stated in the application. No State license tags shall be issued to any
44 applicant, or renewed for such applicant until the requirements of this subsection have
