

GENERAL ASSEMBLY OF NORTH CAROLINA
1989 SESSION

CHAPTER 395
HOUSE BILL 809

AN ACT TO DEFINE THE BOUNDARY LINES OF THE TOWN OF LEWISTON
WOODVILLE.

Whereas, the Towns of Lewiston and Woodville have been merged and the Charter of the Town of Lewiston Woodville is defined in Chapter 266 of the Session Laws of the General Assembly of North Carolina in 1981; and

Whereas, Section 2.1 of the Charter states "the corporate boundaries of the Town of Lewiston Woodville, until changed in accordance with law, are as follows: All of the land which was within the corporate limits of either the Town of Lewiston or the Town of Woodville on June 30, 1981."; and

Whereas, the Town of Lewiston Woodville has recently had a survey made of said Town incorporating both Towns into one survey; and

Whereas, the boundary lines of the two Towns were not at all times contiguous resulting in some areas being not included in the Town of Lewiston Woodville as chartered; and

Whereas, the boundary lines were irregular and the Town desires to include in the Town of Lewiston Woodville the lands as described in a survey of the Town of Lewiston Woodville described in a survey by Rivers and Associates, Inc., Engineers, dated November 9, 1987; and

Whereas, the Town of Lewiston Woodville desires that Section 2.1 of the Chapter be amended to correctly state the boundary areas of the said Town; and

Whereas, Section 3.3 of the Charter provided that the Town should be divided into districts, District 1 consisting of the area within the corporate limits of the Town of Lewiston as it existed on June 30, 1981, and District 2 consisting of the area within the corporate limits of the Town of Woodville on June 30, 1981; and

Whereas, under the present survey, all of the land within the outer boundaries is now included in the Town of Lewiston Woodville and it is necessary that a new boundary line be defined for the area in District 1 and District 2; Now, therefore,

The General Assembly of North Carolina enacts:
