A BILL TO BE ENTITLED

AN ACT TO ESTABLISH A STATEWIDE FOX MANAGEMENT PLAN.

The General Assembly of North Carolina enacts:

Section 1. Chapter 113 of the General Statutes is amended by adding a new section to read:

**"§ 113-291.4A. Open seasons for taking foxes with firearms.**

(a) There is an open season for the taking of foxes with firearms in all areas of the State east of Interstate Highway 77 from the beginning of the season established by the Wildlife Resources Commission for the taking of rabbits and quail through January 1 of each year. The selling, buying, or possessing for sale of any fox or fox part taken pursuant to this subsection is prohibited, and is punishable as provided by G.S. 113-294(a) or (k).

(b) The Wildlife Resources Commission shall establish appropriate bag and season limits that may be imposed upon the taking of foxes pursuant to this act, and may make reasonable rules governing the possession of foxes killed by motor vehicles or other accidental means."

Sec. 2. G.S. 113-270.2(c)(5) reads as rewritten:

(5) Controlled ~~shooting~~ hunting preserve hunting license – \$15.00. This license is valid only for use by an individual hunting in special controlled shooting preserves within a controlled hunting preserve licensed in accordance with this Subchapter."

1           Sec. 3. G.S. 113-273(g) reads as rewritten:

2           "(g) ~~Controlled Shooting-Hunting~~ Preserve Operator License. – The Wildlife  
3 Resources Commission is authorized by rule to set standards for and to license the  
4 operation of controlled ~~shooting-hunting~~ preserves operated by private persons. A  
5 ~~'controlled shooting preserve' is an area on which only domestically raised game birds other~~  
6 ~~than wild turkeys are taken.~~ Controlled hunting preserves are of two types: one is an area  
7 marked with appropriate signs along the outside boundaries on which only domestically  
8 raised game birds other than wild turkeys are taken; the other is an area enclosed with a  
9 dog-proof fence on which foxes may be hunted with dogs only. A controlled fox  
10 hunting preserve operated for private use may be of any size; a controlled hunting  
11 preserve operated for commercial purposes shall be an area of not less than 500 acres or  
12 of such size as set by regulation of the Wildlife Resources Commission, which shall  
13 take into account differences in terrain and topography, as well as the welfare of the  
14 foxes.

15           Operators of controlled fox hunting preserves may purchase live foxes from licensed  
16 trappers who live-trap foxes during any open season for trapping them and may, at any  
17 time, take live foxes from their preserves for sale to other licensed operators. The  
18 controlled hunting preserve operator license ~~This license~~ may be purchased for a fee of  
19 fifty dollars (\$50.00), and is an annual license issued beginning August 1 each year  
20 running until the following July 1."

21           Sec. 4. G.S. 113-291.4(c) reads as rewritten:

22           "(c) Foxes may not be taken with firearms except:

- 23           (1) As provided in subsection (f) or ~~(i)~~-(i) of this section or G.S. 113-  
24 291.4A(a).  
25           (2) As an incidental method of humanely killing them following any  
26 lawful method of taking that does not result in death.  
27           (3) When they are lawfully shot under laws and rules pertaining to the  
28 destruction of animals committing depredations to property."

29           Sec. 5. Chapter 636, Session Laws of 1977, as it applies to Pamlico County,  
30 is repealed.

31           Sec. 6. Any provisions of this act inconsistent with the terms of any local act  
32 are superseded by the provisions of the local act.

33           Sec. 7. This act shall become effective September 1, 1989.
