The General Assembly of North Carolina enacts:

Section 1. G.S. 163-128 reads as rewritten:

**"§ 163-128. Election precincts and voting places established or altered.**

(a) Each county shall be divided into a convenient number of precincts for the purpose of voting, and there shall be at least one precinct encompassed within the territory of each township; provided, however, that upon a resolution adopted by the county board of elections and approved by the Secretary-Director of the State Board of Elections voters from a given precinct within a township may be temporarily transferred, for the purpose of voting, to a precinct in an adjacent township. Any such transfers shall be for the period of time equal only to the term of office of the county board of elections making such transfer. When such a resolution has been adopted by the county board of elections to assign voters from more than one township to the same precinct, then the county board of elections shall maintain separate registration and voting records, consistent with the procedure prescribed by the State Board of Elections, so as to properly identify the township in which such voters reside. ~~There shall be at least one voting place in each precinct.~~ Except as provided in G.S. 163-132.2(a)(1), the polling place for a precinct shall be located within the precinct.

1 Except as provided by Article 12A of this Chapter, the county board of elections  
2 shall have power from time to time, by resolution, to establish, alter, discontinue, or  
3 create such new election precincts or voting places as it may deem expedient. Upon  
4 adoption of a resolution establishing, altering, discontinuing, or creating a precinct or  
5 voting place, the board shall give 20 days' notice thereof prior to the date on which the  
6 registration books or records next close pursuant to G.S. 163-67. Notice shall be given  
7 by advertisement in a newspaper having general circulation in the county, by posting a  
8 copy of the resolution at the courthouse door, and by mailing a copy of the resolution to  
9 the chairman of every political party in the county.

10 (b) Each county board of elections shall prepare a map of the county on which  
11 the precinct boundaries are drawn or described, shall revise the map when boundaries  
12 are changed, and shall keep a copy of the current map on file and posted for public  
13 inspection at the office of the Board of Elections, and shall file a copy with the State  
14 Board of Elections."

15 Sec. 2. G.S. 163-132.2 reads as rewritten:

16 **"§ 163-132.2. Establishment of precinct boundaries for 1990 Census.**

17 (a) The Legislative Services Office as soon as it receives the U.S. Census  
18 Bureau's official census block maps to be used in the 1990 U.S. Census shall send the  
19 relevant copies of those maps to county boards of elections. After receiving copies of  
20 those maps, the county boards of election shall:

21 (1) Alter, where necessary, precinct boundaries to be coterminous with  
22 township boundaries, municipal boundaries, census block boundaries,  
23 or a combination of those boundaries provided that if, as a result of the  
24 alteration, the polling place is no longer in the precinct, it may  
25 continue to be the polling place as long as the lot or tract on which the  
26 polling place is situated adjoins the precinct;

27 (1a) Alter, where necessary, precinct boundaries so that each precinct is  
28 composed solely of contiguous territory, except where the operation of  
29 G.S. 163-132.5A has caused a precinct to be divided into two or more  
30 non-contiguous areas.

31 (2) Mark all precinct boundaries on the maps sent by the Legislative  
32 Services Office, showing the precinct boundaries in effect as of the  
33 time of marking, but with any changes effective at a later time as  
34 provided by subsection (d) of this section; and

35 (3) File at a time deemed necessary by the Executive Secretary-Director of  
36 the State Board of Elections with the State Board and the Legislative  
37 Services Office the maps identifying the precinct boundaries. The  
38 Executive Secretary-Director may require a county board of elections  
39 to file a written description of the boundaries of any precinct or part  
40 thereof.

41 Provided, where a precinct boundary has been or is to be altered because of the  
42 operation of G.S. 163-132.5A, the boundary on the map shall be shown as in effect on  
43 January 1, 1988, the reporting date reported through the U.S. Census Bureau's 1988  
44 Boundary and Annexation Survey of the underlying municipal boundary on the map,

1 but the fact that the boundary has been or is to be moved because of an intervening  
2 annexation shall be reported to the Executive Secretary-Director of the State Board of  
3 Elections and Legislative Services Office.

4 (b) The Executive Secretary-Director of the State Board of Elections and the  
5 Legislative Services Office shall examine the returned maps and their written  
6 descriptions. After its examination of the maps and their written descriptions, the  
7 Legislative Services Office shall submit to the Executive Secretary-Director of the State  
8 Board of Elections its opinion as to whether all precinct boundaries are coterminous  
9 with current township boundaries, current municipal boundaries, census block  
10 boundaries, or a combination of those boundaries, with notations as to where those  
11 boundaries do not comply with these standards. If the Executive Secretary-Director of  
12 the State Board determines that all precinct boundaries are coterminous with current  
13 township boundaries, current municipal boundaries, census block boundaries, or a  
14 combination of those boundaries, the Executive Secretary-Director of the State Board  
15 shall approve the maps and written descriptions as filed and these precincts shall be the  
16 official precincts. Additionally, the Legislative Services Office shall submit to the  
17 Executive Secretary-Director of the State Board of Elections its opinion as to whether  
18 each precinct is composed solely of contiguous territory.

19 (c) If the Executive Secretary-Director of the State Board does not find that the  
20 filed precinct boundaries are coterminous with the current township boundaries, current  
21 municipal boundaries, census block boundaries, or a combination of those boundaries,  
22 he shall not approve those precinct boundaries but shall alter the precinct boundaries to  
23 be coterminous with the census block boundaries, municipal boundaries or township  
24 boundaries nearest to those existing precinct boundaries and these altered precincts shall  
25 then be the official precincts. If the Executive Secretary-Director of the State Board  
26 finds that a precinct does not consist solely of contiguous territory, he shall alter the  
27 precinct boundary so that it consists solely of contiguous territory, except where the  
28 non-contiguity is caused by the operation of G.S. ~~160A-132.5A-163-132.5A.~~

29 (d) The changes in precinct boundaries under subsections (b) and (c) of this  
30 section shall be made effective not later than January 1, 1992.

31 (e) After the Executive Secretary-Director of the State Board approves or alters  
32 the precincts filed by the county boards and before January 2, 1990, no county board of  
33 elections may establish, alter, discontinue, or create any precinct except for the  
34 following:

- 35 (1) Changes resulting from G.S. ~~163-132.5A-163-132.5A~~; ~~or by~~
- 36 (2) Division of one precinct into two or more ~~precincts-precincts~~; or
- 37 (3) With the consent of the Executive Secretary-Director of the State  
38 Board of Elections, changes to boundaries that the U.S. Census Bureau  
39 has identified for the Legislative Services Office as not being  
40 coterminous with census block boundaries, township boundaries,  
41 municipal boundaries, or a combination of these boundaries. The  
42 Executive Secretary-Director shall consult with the Legislative  
43 Services Office prior to consenting to precinct changes under this  
44 subdivision.

(f) The State shall request that the U.S. Census Bureau provide summaries of census data by precinct, and shall participate in the 1990 Census Redistricting Data Program. When the State files with the Census Bureau precinct maps, those boundaries shall be those effective at the date of submission, but with any change with a postponed effective date made under subsection (d) of this section or made under G.S. 163-132.5A. In any case where the precinct includes non-contiguous portions because of the operation of G.S. 163-132.5A, the Executive Secretary-Director of the State Board of Elections shall designate those areas for census data purposes as separate precincts."
