A BILL TO BE ENTITLED

AN ACT TO MODIFY THE METHOD OF ELECTING MEMBERS OF THE  
ALBEMARLE CITY SCHOOL BOARD OF EDUCATION.

The General Assembly of North Carolina enacts:

Section 1. (a) Members of the Albemarle City Board of Education shall be elected from a combination of districts and at-large voting.

(b) For the at-large seats, any qualified voter of the Albemarle City School Administrative Unit may vote. For the seat for each district, only the qualified voters of that district may vote.

(c) To serve in an at-large seat, a person must be a resident of the Albemarle City School Administrative Unit. To serve in a district seat, a person must be a resident of that district. In the case of a vacancy in any district seat, the person appointed to fill the vacancy must reside in that district.

Sec. 2. The Albemarle City Board of Education consists of six members, except that members elected in the 1985 and 1987 elections may serve until the expiration of their terms. In case of any vacancy in such seat elected in 1985 or 1987 which occurs after the persons elected in 1989 take office, such vacancy shall not be filled.

Sec. 3. Members elected in 1989 and thereafter shall serve four-year terms.

Sec. 4. Four members shall be elected from districts and two members shall be elected at large.

Sec. 5. Elections shall be held in November of 1989 and biennially thereafter. In 1989 and quadrennially thereafter, one member shall be elected each from

1 its intersection with Big Long Creek; and thence up the various courses and distances of  
2 Big Long Creek to its intersection with NC Highway 73, and the east end of the bridge  
3 thereof; thence in an easterly direction with the centerline of NC Highway 73 (Concord  
4 Road) to its intersection with SR 1402; thence in a northerly direction with the  
5 centerline of SR 1402 (Rock Springs Road) to its intersection with Wiscassett Street;  
6 thence in an easterly direction with the centerline of Wiscassett Street to its intersection  
7 with the centerline of Long Street; thence in a northerly direction with the centerline of  
8 Long Street to its intersection with the centerline of Oakwood Avenue; thence in an  
9 easterly direction with the centerline of Oakwood Avenue to its intersection with the  
10 centerline of Old Carolina Avenue; thence in a southerly direction with the centerline of  
11 Old Carolina Avenue to its intersection with the centerline of New Carolina Avenue (52  
12 By-pass); thence again in a southerly direction with the centerline of New Carolina  
13 Avenue (52 By-pass) to its intersection with the centerline of West Main Street; and  
14 thence in an easterly direction with the centerline of Main Street to its intersection with  
15 the centerline of Fourth Street, the place of Beginning.

16 **DISTRICT 3**

17 BEGINNING at the intersection of the centerlines of Main Street and Fourth  
18 Street, the same intersection being known as "Five Points" and running thence as  
19 follows:

20 From the place of Beginning, in a westerly direction with the centerline of  
21 Main Street to its intersection with the centerline of New Carolina Avenue (52 by-pass);  
22 thence in a northerly direction with the centerline of New Carolina Avenue to its  
23 intersection with the centerline of old Carolina Avenue; thence again in a northerly  
24 direction with the centerline of old Carolina Avenue to its intersection with the  
25 centerline of Oakwood Avenue; thence in a westerly direction with the centerline of  
26 Oakwood Avenue to its intersection with the centerline of Long Street; thence in a  
27 southerly direction with the centerline of Long Street to its intersection with the  
28 centerline of Wiscassett Street; thence in a westerly direction with the centerline of  
29 Wiscassett Street to its intersection with the centerline of SR 1402 (Rock Springs  
30 Road); thence in a southerly direction with the centerline of SR 1402 to its intersection  
31 with the centerline of NC Highway 73 (Concord Road); thence in a westerly direction  
32 with the centerline of North Carolina Highway 73 to the East end of the bridge where  
33 NC Highway 73 crosses Big Long Creek; thence a direct line in a northeasterly  
34 direction, with the boundary of the City of Albemarle, to an electric power line post on  
35 the west side of the Old Salisbury Road located just north of the residence (now or  
36 formerly) of Crawford Lowder, the same being approximately 1.75 miles northwest of  
37 the Albemarle City square; thence another line in a northeasterly direction, and  
38 including McKee Street and the Vista Park Subdivision, to a point in the center of U.S.  
39 Highway 52, said point being approximately 100 feet South of the intersection of  
40 Morton Street and U.S. Highway 52; thence from said point a line in a southeasterly  
41 direction to a point in Park Ridge Road, which point is approximately 100 feet east of  
42 the intersection of Park Ridge Road and Mountain Creek Road; thence with Park Ridge  
43 Road in an easterly direction approximately 1,000 feet to the L.W. Mabry property (now  
44 or formerly); thence with the Mabry line to the northwest corner of the L.W. Mabry

1 property, also the intersecting corner of the Talbert and Loftin lines; thence with the old  
2 Loftin line North 72-30 East 1499 feet to an iron pin, also a corner in the Loftin and  
3 Talbert line; thence North 61-00 West 830 feet to a planted stone, a corner of the old  
4 Loftin line with the Talbert line; thence North 06-00 East approximately 50 feet to the  
5 southeast corner of Lot 42-B of Forest Drive Subdivision; thence with the south line of  
6 said subdivision North 84 West 921 feet to a point, the southwest corner of Lot 14-B;  
7 thence with the line of Lot 14-B and crossing Shady Drive, North 4-45 East 230.0 feet  
8 to a point on the north side of Shady Drive; thence with the north side of Shady Drive  
9 South 84 East 921.0 feet to a point in the east line of Forest Drive Subdivision; thence  
10 continuing South 84 East 30.0 feet to a point in a new line; thence with the new line  
11 South 06-00 East 229.3 feet to a stake in the J.U. Loftin property; thence with the new  
12 line South 61-00 East 879.9 feet to a stake in the J.U. Loftin property; thence with a new  
13 line in the J.U. Loftin property South 72-30 West 1569.7 feet to a stake in the northeast  
14 line of the L.W. Mabry property as it adjoins the J.U. Loftin property; thence with the  
15 Mabry line North 16-00 East 30 feet to an iron stake; thence again with the line of  
16 Mabry in a southerly direction to Park Ridge Road; thence continuing with Park Ridge  
17 Road to its intersection with the centerline of Pine View Street; thence in a southerly  
18 direction with the centerline of Pine View Street to its intersection with the centerline of  
19 Colonial Drive; thence in a westerly direction with the centerline of Colonial Drive to  
20 its intersection with the centerline of Melchor Road; thence in a southerly direction with  
21 the centerline of Melchor Road to its intersection with the centerline of Hawthorne  
22 Avenue; thence in a westerly direction with the centerline of Hawthorne Avenue to its  
23 intersection with the centerline of Fifth Street; thence in a southerly direction with the  
24 centerline of Fifth Street to its intersection with the centerline of Yadkin Street; thence  
25 in a westerly direction with the centerline of Yadkin Street to its intersection with the  
26 centerline of Fourth Street; and thence in a southerly direction with the centerline of  
27 Fourth Street to its intersection with the centerline of Main Street, the place of  
28 BEGINNING.

#### DISTRICT 4

29  
30 BEGINNING at the intersection of the centerline of Main Street and Fourth  
31 Street, the same intersection being known as "Five Points" and running thence as  
32 follows:

33 From the place of beginning, in a northerly direction with the centerline of  
34 Fourth Street to its intersection with the centerline of Yadkin Street; thence in an  
35 easterly direction with the centerline of Yadkin Street to its intersection with the  
36 centerline of Fifth Street; thence in a northerly direction with the centerline of Fifth  
37 Street to its intersection with Hawthorne Avenue; thence in an easterly direction with  
38 the centerline of Hawthorne Avenue to its intersection with the centerline of Melchor  
39 Road; thence in a northerly direction with the centerline of Melchor Road to its  
40 intersection with Colonial Drive; thence in an easterly direction with the centerline of  
41 Colonial Drive to its intersection with the centerline of Pineview Street; thence in a  
42 northerly direction with the centerline of Pineview Street to its intersection with Park  
43 Ridge Road; thence with Park Ridge Road in an easterly direction to its intersection  
44 with Ridge Street; thence crossing Ridge Street to a concrete marker located on the East

1 side of Ridge Street opposite the south line of Park Ridge Road; thence with the east  
2 line of Ridge Street North 27-35 East 245 feet to a concrete marker in the east right of  
3 way line of Ridge Street; thence a line North 84-44-46 East 915.07 feet to a rock in a  
4 field; thence North 03-05 West 410 feet to a point, passing under the Duke Power  
5 Company right-of-way line; thence South 87-30 East 645.7 feet to a point in the Duke  
6 Power Company right-of-way line and the line of Priester (now or formerly); thence  
7 South 03-05 East 800.0 feet (passing through an iron pin at 339.0 feet) to an iron pin in  
8 the line of Coble (now or formerly); thence South 76-49 West 658.0 feet to an iron pipe;  
9 thence in a generally southerly direction, crossing Melchor Branch, approximately 2600  
10 feet to the intersection of Magnolia Street and Moss Springs Road; thence in a generally  
11 northeasterly direction with Moss Springs Road to a branch; thence continuing with  
12 Moss Springs Road in a generally southeasterly direction to its intersection with Impala  
13 Drive; and thence again with Moss Springs Road in an easterly direction to its  
14 intersection with Speight road; thence in a southerly direction with the line of Speight  
15 Road to its intersection with North Carolina Highway 740, Badin Road; thence in a  
16 generally southwesterly direction with the line of the Badin Road to its intersection with  
17 Parkway Drive; thence with the line of Parkway Drive to its intersection with East Main  
18 Street; thence in a westerly direction with the centerline of East Main Street to its  
19 intersection with the centerline of Fourth Street, the place of beginning.

20           Sec. 8. This act is effective upon ratification.
