

GENERAL ASSEMBLY OF NORTH CAROLINA  
1991 SESSION

CHAPTER 315  
HOUSE BILL 912

AN ACT TO AUTHORIZE CITIES TO VACATE AND CLOSE CERTAIN  
DWELLINGS FOUND TO BE IN VIOLATION OF THE MINIMUM HOUSING  
CODE.

The General Assembly of North Carolina enacts:

Section 1. G.S. 160A-443 reads as rewritten:

**"§ 160A-443. Ordinance authorized as to repair, closing and demolition; order of public officer.**

Upon the adoption of an ordinance finding that dwelling conditions of the character described in G.S. 160A-441 exist within a city, the governing body of the city is hereby authorized to adopt and enforce ordinances relating to dwellings within the city's territorial jurisdiction that are unfit for human habitation. These ordinances shall include the following provisions:

- (1) That a public officer be designated or appointed to exercise the powers prescribed by the ordinance.
- (2) That whenever a petition is filed with the public officer by a public authority or by at least five residents of the city charging that any dwelling is unfit for human habitation or whenever it appears to the public officer (on his own motion) that any dwelling is unfit for human habitation, the public officer shall, if his preliminary investigation discloses a basis for such charges, issue and cause to be served upon the owner of and parties in interest in such dwellings a complaint stating the charges in that respect and containing a notice that a hearing will be held before the public officer (or his designated agent) at a place within the county in which the property is located fixed not less than 10 days nor more than 30 days after the serving of the complaint; that the owner and parties in interest shall be given the right to file an answer to the complaint and to appear in person, or otherwise, and give testimony at the place and time fixed in the complaint; and that the rules of evidence prevailing in courts of law or equity shall not be controlling in hearings before the public officer.
- (3) That if, after notice and hearing, the public officer determines that the dwelling under consideration is unfit for human habitation, he shall state in writing his findings of fact in support of that determination and shall issue and cause to be served upon the owner thereof an order,

- a. If the repair, alteration or improvement of the dwelling can be made at a reasonable cost in relation to the value of the dwelling (the ordinance of the city may fix a certain percentage of this value as being reasonable), requiring the owner, within the time specified, to repair, alter or improve the dwelling in order to render it fit for human habitation or to vacate and close the dwelling as a human habitation; or
  - b. If the repair, alteration or improvement of the dwelling cannot be made at a reasonable cost in relation to the value of the dwelling (the ordinance of the city may fix a certain percentage of this value as being reasonable), requiring the owner, within the time specified in the order, to remove or demolish such dwelling. However, notwithstanding any other provision of law, if the dwelling is located in a historic district of the city and the Historic District Commission determines, after a public hearing as provided by ordinance, that the dwelling is of particular significance or value toward maintaining the character of the district, and the dwelling has not been condemned as unsafe, the order may require that the dwelling be vacated and closed consistent with G.S. 160A-400.14(a).
- (4) That, if the owner fails to comply with an order to repair, alter or improve or to vacate and close the dwelling, the public officer may cause the dwelling to be repaired, altered or improved or to be vacated and closed; that the public officer may cause to be posted on the main entrance of any dwelling so closed, a placard with the following words: 'This building is unfit for human habitation; the use or occupation of this building for human habitation is prohibited and unlawful.' Occupation of a building so posted shall constitute a misdemeanor.
  - (5) That, if the owner fails to comply with an order to remove or demolish the dwelling, the public officer may cause such dwelling to be removed or demolished. The duties of the public officer set forth in subdivisions (4) and (5) shall not be exercised until the governing body shall have by ordinance ordered the public officer to proceed to effectuate the purpose of this Article with respect to the particular property or properties which the public officer shall have found to be unfit for human habitation and which property or properties shall be described in the ordinance. No such ordinance shall be adopted to require demolition of a dwelling until the owner has first been given a reasonable opportunity to bring it into conformity with the housing code. This ordinance shall be recorded in the office of the register of deeds in the county wherein the property or properties are located and shall be indexed in the name of the property owner in the grantor index.

- (5a) If the governing body shall have adopted an ordinance ordering a dwelling to be repaired or vacated and closed, as provided in subdivision (3)a., and if the owner has vacated and closed such dwelling and kept such dwelling vacated and closed for a period of one year pursuant to the ordinance, then if the governing body shall find that the owner has abandoned the intent and purpose to repair, alter or improve the dwelling in order to render it fit for human habitation and that the continuation of the dwelling in its vacated and closed status would be inimical to the health, safety, morals and welfare of the municipality in that the dwelling would continue to deteriorate, would create a fire and safety hazard, would be a threat to children and vagrants, would attract persons intent on criminal activities, would cause or contribute to blight and the deterioration of property values in the area, and would render unavailable property and a dwelling which might otherwise have been made available to ease the persistent shortage of decent and affordable housing in this State, then in such circumstances, the governing body may, after the expiration of such one year period, enact an ordinance and serve such ordinance on the owner, setting forth the following:
- a. If it is determined that the repair of the dwelling to render it fit for human habitation can be made at a cost not exceeding fifty percent (50%) of the then current value of the dwelling, the ordinance shall require that the owner either repair or demolish and remove the dwelling within 90 days; or
  - b. If it is determined that the repair of the dwelling to render it fit for human habitation cannot be made at a cost not exceeding fifty percent (50%) of the then current value of the dwelling, the ordinance shall require the owner to demolish and remove the dwelling within 90 days.

This ordinance shall be recorded in the Office of the Register of Deeds in the county wherein the property or properties are located and shall be indexed in the name of the property owner in the grantor index. If the owner fails to comply with this ordinance, the public officer shall effectuate the purpose of the ordinance.

This subdivision only applies to municipalities located in counties which have a population in excess of 163,000 by the last federal census.

- (6) That the amount of the cost of repairs, alterations or improvements, or vacating and closing, or removal or demolition by the public officer shall be a lien against the real property upon which the cost was incurred, which lien shall be filed, have the same priority, and be collected as the lien for special assessment provided in Article 10 of this Chapter. If the dwelling is removed or demolished by the public officer, he shall sell the materials of the dwelling, and any personal

property, fixtures or appurtenances found in or attached to the dwelling, and shall credit the proceeds of the sale against the cost of the removal or demolition and any balance remaining shall be deposited in the superior court by the public officer, shall be secured in a manner directed by the court, and shall be disbursed by the court to the persons found to be entitled thereto by final order or decree of the court. Nothing in this section shall be construed to impair or limit in any way the power of the city to define and declare nuisances and to cause their removal or abatement by summary proceedings, or otherwise.

- (7) If any occupant fails to comply with an order to vacate a dwelling, the public officer may file a civil action in the name of the city to remove such occupant. The action to vacate the dwelling shall be in the nature of summary ejectment and shall be commenced by filing a complaint naming as parties-defendant any person occupying such dwelling. The clerk of superior court shall issue a summons requiring the defendant to appear before a magistrate at a certain time, date and place not to exceed 10 days from the issuance of the summons to answer the complaint. The summons and complaint shall be served as provided in G.S. 42-29. The summons shall be returned according to its tenor, and if on its return it appears to have been duly served, and if at the hearing the public officer produces a certified copy of an ordinance adopted by the governing body pursuant to subdivision (5) authorizing the officer to proceed to vacate the occupied dwelling, the magistrate shall enter judgment ordering that the premises be vacated and that all persons be removed. The judgment ordering that the dwelling be vacated shall be enforced in the same manner as the judgment for summary ejectment entered under G.S. 42-30. An appeal from any judgment entered hereunder by the magistrate may be taken as provided in G.S. 7A-228, and the execution of such judgment may be stayed as provided in G.S. 7A-227. An action to remove an occupant of a dwelling who is a tenant of the owner may not be in the nature of a summary ejectment proceeding pursuant to this paragraph unless such occupant was served with notice at least 30 days before the filing of the summary ejectment proceeding that the governing body has ordered the public officer to proceed to exercise his duties under paragraphs 4 and 5 of this section to vacate and close or remove and demolish the dwelling."

Sec. 2. This act is effective upon ratification.

In the General Assembly read three times and ratified this the 18th day of June, 1991.
