

GENERAL ASSEMBLY OF NORTH CAROLINA  
1993 SESSION

CHAPTER 450  
HOUSE BILL 174

AN ACT TO AUTHORIZE THE DEPARTMENT OF REVENUE TO ALLOW OR  
REQUIRE PAYMENT OF TAXES BY ELECTRONIC FUNDS TRANSFER.

The General Assembly of North Carolina enacts:

Section 1. G.S. 105-228.90(b) is amended by adding a new subdivision to read:

"(3) Electronic Funds Transfer. – A transfer of funds initiated by using an electronic terminal, a telephone, a computer, or magnetic tape to instruct or authorize a financial institution or its agent to credit or debit an account."

Sec. 2. G.S. 105-241 reads as rewritten:

**"§ 105-241. ~~Taxes payable in national currency; for what period, and when a lien; priorities. Where and how taxes payable; tax period; liens.~~**

(a) Form of Payment. – Taxes are payable in the national currency. The Secretary shall prescribe where taxes are to be paid and whether taxes must be paid in cash, by check, by electronic funds transfer, or by another method.

(b) Electronic Funds Transfer. – The Secretary shall not require a taxpayer to pay a tax by electronic funds transfer unless, during the applicable period for that tax, the average amount of the taxpayer's required payments of the tax was at least twenty thousand dollars (\$20,000) a month. The twenty thousand dollar (\$20,000) threshold applies separately to each tax. The applicable period for a tax is a 12-month period, designated by the Secretary, preceding the imposition or review of the payment requirement. The requirement that a taxpayer pay a tax by electronic funds transfer remains in effect until suspended by the Secretary. Every 12 months after requiring a taxpayer to pay a tax by electronic funds transfer, the Secretary shall determine whether, during the applicable period for that tax, the average amount of the taxpayer's required payments of the tax was at least twenty thousand dollars (\$20,000) a month. If it was not, the Secretary shall suspend the requirement that the taxpayer pay the tax by electronic funds transfer and shall notify the taxpayer in writing that the requirement has been suspended.

(c) Tax Period. – Except as otherwise provided in this Chapter, taxes are levied for the fiscal year of the state in which they became due.

(d) Lien. – This subsection applies except when another Article of this Chapter contains contrary provisions with respect to a lien for a tax levied in that Article. The lien of a tax attaches to all real and personal property of a taxpayer on the date a tax owed by the taxpayer becomes due. The lien continues until the tax and any interest,

penalty, and costs associated with the tax are paid. A tax lien is not extinguished by the sale of the taxpayer's property. A tax lien, however, is not enforceable against a bona fide purchaser for value or the holder of a duly recorded lien unless:

- (1) In the case of real property, a certificate of tax liability or a judgment was first docketed in the office of the clerk of superior court of the county in which the real property is located.
- (2) In the case of personal property, there has already been a levy on the property under an execution or a tax warrant.

The priority of these claims and liens is determined by the date and time of recording, docketing, levy, or bona fide purchase.

If a taxpayer executes an assignment for the benefit of creditors or if insolvency proceedings are instituted against a taxpayer who owes a tax, the tax lien attaches to all real and personal property of the taxpayer as of the date and time the taxpayer executes the assignment for the benefit of creditors or the date and time the insolvency proceedings are instituted. In these cases, the tax lien is subject only to a prior recorded specific lien and the reasonable costs of administering the assignment or the insolvency proceedings. The taxes herein designated and levied shall be payable in the existing national currency. State, county, and municipal taxes levied for any and all purposes pursuant to this Subchapter shall be for the fiscal year of the State in which they become due, except as otherwise provided, and the lien of such taxes shall attach annually to all real estate of the taxpayer within the State on the date that such taxes are due and payable, and said lien shall continue until such taxes, with any interest, penalty, and costs which shall accrue thereon, shall have been paid; in the settlement of the estate of any decedent where, by any order of court or other proceeding, the real estate of the decedent has been sold to make assets to pay debts, such sale shall not have the effect of extinguishing the lien upon the land so sold for State taxes, nor shall the same be postponed in any manner to the payment of any other claim or debt against the estate, save funeral expenses and cost of administration.

Provided, however, that the lien of State taxes shall not be enforceable as against bona fide purchasers for value, and as against duly recorded mortgages, deeds of trust and other recorded specific liens, as to real estate, except upon docketing of a certificate of tax liability or a judgment in the office of the clerk of the superior court of the county wherein the real estate is situated, and as to personalty, except upon a levy upon such property under an execution or a tax warrant, and the priority of the State's tax lien against property in the hands of bona fide purchasers for value, and as against duly recorded mortgages, deeds of trust and other recorded specific liens, shall be determined by reference to the date and time of docketing of judgment or certificate of tax liability or the levy under execution or tax warrant. Provided further, that in the event any taxpayer shall execute an assignment for the benefit of creditors, or if receivership, a creditor's bill or other insolvency proceedings are instituted against any taxpayer indebted in the State on account of any taxes levied by the State, the lien of State taxes shall attach to any and all property of such taxpayer or of such insolvent's estate as of the date and time of the execution of the assignment for the benefit of creditors or of the institution of proceedings herein mentioned and shall be subject only to prior recorded

~~specific liens and reasonable costs of administration. Notwithstanding the provisions of this paragraph, the provisions contained in G.S. 105-164.38 shall remain in full force and effect with respect to the lien of sales taxes.~~

~~The provisions of this section shall not have the effect of releasing any lien for State taxes imposed by other law, nor shall they have the effect of postponing the payment of the said State taxes or depriving the said State taxes of any priority in order of payment provided in any other statute under which payment of the said taxes may be required."~~

Sec. 3. G.S. 105-130.19 reads as rewritten:

**"§ 105-130.19. Time and place of payment of tax. When tax must be paid.**

(a) ~~Except as provided in Article 4C of this Chapter, the full amount of the tax payable as shown on the face of the return shall must be paid to the Secretary of Revenue at the office where the return is filed and within the time fixed by law allowed for filing the return.~~

~~(b), (c) Repealed by Session Laws 1989, c. 37, s. 1.~~

~~(d) The tax may be paid with uncertified check during such time and under such regulations as the Secretary of Revenue shall prescribe; but if a check so received is not paid by the bank on which it is drawn, the taxpayer by whom such check is tendered shall remain liable for the payment of the tax and for all legal penalties the same as if such check had not been tendered."~~

Sec. 4. G.S. 105-157 reads as rewritten:

**"§ 105-157. Time and place of payment of tax. When tax must be paid.**

(a) ~~Except as otherwise provided in this section and in Article 4A of this Chapter, the full amount of the tax payable as shown on the face of the return shall must be paid to the Secretary at the office where the return is filed at the time fixed by law within the time allowed for filing the return. If the amount shown to be due is less than one dollar (\$1.00), no payment need be made.~~

~~(b) The tax may be paid with uncertified check during such time and under such regulations as the Secretary may prescribe; but if a check so received is not paid by the bank on which it is drawn, the taxpayer by whom the check was tendered shall remain liable for the payment of the tax and for all legal penalties the same as if the check had not been tendered."~~

Sec. 5. G.S. 105-160.7 reads as rewritten:

**"§ 105-160.7. Time and place of payment of tax. When tax must be paid.**

(a) ~~The full amount of the tax payable as shown on the face of the return shall must be paid to the Secretary at the office where the return is filed at the time fixed by law within the time allowed for filing the return. However, if the amount shown to be due after all credits is less than one dollar (\$1.00), no payment need be made.~~

~~(b) The tax may be paid with uncertified check, but if a check so received is not paid by the financial institution on which it is drawn, the fiduciary by whom the check was tendered shall remain liable for the payment of the tax and for all penalties lawfully imposed."~~

Sec. 6. G.S. 105-163.6(a) reads as rewritten:

"(a) General. – A return is due quarterly or monthly as specified in this section. A return shall be filed with the Secretary on a form prepared by the Secretary, shall report

any payments of withheld taxes made during the period covered by the return, and shall contain any other information required by the Secretary.

Withheld taxes are payable quarterly, monthly, or within three banking days, as specified in this section. ~~Withheld taxes shall be paid to the Secretary or to a financial institution with which the Secretary has entered a contract to receive payment of withheld taxes.~~ If ~~If~~ the Secretary finds that collection of the amount of taxes this Article requires an employer to withhold is in jeopardy, the Secretary may require the employer to file a return or pay withheld taxes at a time other than that specified in this section."

Sec. 7. G.S. 105-164.16(a) reads as rewritten:

"(a) Payment. – Taxes levied under this Article are due when a return is required to be filed. Every taxpayer liable for the tax imposed by this Article shall, within the specified time after the end of the appropriate reporting period, submit a return to the ~~Secretary, Secretary~~ on a form prescribed by the ~~Secretary, stating Secretary.~~ A return must be signed by the taxpayer or the taxpayer's agent.

A use tax return must state the cost price of tangible personal property that was purchased or received during the reporting period and is subject to tax under G.S. 105-164.6, the amount of tax due, and any other information required by the Secretary. Each return shall be accompanied by a payment to the Secretary for the amount of taxes shown to be due on the return and shall be signed by the taxpayer or his agent. Returns that do not contain the required information shall not be accepted. When an unacceptable return is submitted, the Secretary shall require a corrected return to be filed."

Sec. 8. G.S. 105-164.17 is repealed.

Sec. 9. G.S. 105-164.18 is repealed.

Sec. 10. G.S. 105-236 is amended by adding the following new subdivisions to read:

This subdivision applies to all taxes levied or assessed by the State. This penalty may be waived by the Secretary in accordance with G.S. 105-237.
