"§ 14-404. Issuance or refusal of permit; appeal from refusal; grounds for refusal; sheriff's fee.

Upon application, the sheriff shall issue such license or permit to a resident of that county unless the purpose of the permit is for collecting, in which case a sheriff can issue a permit to a nonresident when the sheriff shall have fully satisfied himself by affidavits, oral evidence, or otherwise, as to the good moral character of the applicant therefor, and that such person, firm, or corporation desires the possession of the weapon mentioned for (i) the protection of the home, business, person, family or property, (ii) target shooting, (iii) collecting, or (iv) hunting. If said sheriff shall not be so fully satisfied, he may, for good cause shown, decline to issue said license or permit and shall provide to said applicant within seven days of such refusal a written statement of the reason(s) for such refusal. An appeal from such refusal shall lie by way of petition to the chief judge of the district court for the district in which the application was filed. The determination by the court, on appeal, shall be upon the facts, the law, and the reasonableness of the sheriff's refusal, and shall be final. A permit may not be issued to the following persons: (i) one who is under an indictment or information for or has been convicted in any state, or in any court of the United States, of a felony (other than an offense pertaining to antitrust violations, unfair trade practices, or restraints of trade), except that if a person has been convicted and later pardoned or is not prohibited from
