1	A BILL TO BE ENTITLED
2	AN ACT TO ESTABLISH THE PUBLIC ASSISTANCE PERSONAL AND FAMILY
3	RESPONSIBILITY ACT OF 1995 AND TO REAUTHORIZE THE LEGISLATIVE
4	STUDY COMMISSION ON WELFARE REFORM.
5	The General Assembly of North Carolina enacts:
6	Section 1. Article 2 of Chapter 108A of the General Statutes is amended by
7	adding a new Part to read:
8	"Part 1A. The Public Assistance Personal and Family Responsibility Act of 1995.
9	" <u>§ 108A-26.5. Reducing illegitimacy; county block grants.</u>
10	(a) The General Assembly finds that welfare reform should aim at moving people
11	from the welfare dependency cycle to work and self-sufficiency. Further, the General
12	Assembly finds that the negative consequences of an out-of-wedlock birth on the child,
13	the mother, and society are major causes of the welfare system's failure to move families
14	from welfare dependency to permanent self-sufficiency and that the safety and well-being
15	of society as a whole is greatly threatened by this failure.
16	(b) The Department of Human Resources shall ensure that, on or after the effective
17	date of this section, assistance provided to any parent who gives birth to an out-of-
18	wedlock child and the child born to that parent shall be limited as follows:

3

(Public)

1	(1) The parent shall be eligible only for:
2	a. Medicaid; and
3	b. WIC.
4	(2) <u>The child shall be eligible only for:</u>
5	<u>a.</u> <u>Food stamps;</u>
6	b. Medicaid; and
7	c. WIC.
8	These limitations on public assistance benefits shall not apply if: (i) the birth was
9	a result of rape or incest; (ii) the parent subsequently marries an individual who
10	acknowledges paternity or assumes financial responsibility for the child; or (iii) the child
11	is subsequently adopted, placed in foster care or any other residential care facility, and
12	otherwise remains eligible for assistance.
13	(c) The Department of Human Resources shall ensure that all available funds, that
14	otherwise would have been made available to parents and children whose benefits are
15	limited by subsection (b) of this section, shall be allocated to the 100 counties in block
16	grants to be used solely for services to those parents and children. No funds from these
17	grants shall be used for (i) cash assistance to those recipients or their children; (ii)
18	providing abortions as a method of family planning; or (iii) abortion counseling. Counties
19	shall not use the block grant funds with respect to any dependent child or parent when
20	paternity has not been established. Services funded pursuant to this subsection may
21	include:
22	(1) Adoption services;
23	(2) <u>Children's homes;</u>
24	(3) Maternity homes for unwed mothers;
25	(4) <u>Residential group homes for mothers and their children;</u>
26	(5) Child day care;
27	(6) Educational services, including, but not limited to, parenting, literacy,
28	and money management classes;
29	(7) Nutrition and health services;
30	(8) Drug and alcohol abuse treatment programs; and
31	(9) Any other programs or services that a county considers appropriate to
32	assist mothers and their children or to lower their illegitimacy rate.
33	The Department shall allocate the block grant funds to each county based on the
34	county's 'illegitimacy ratio'. For the purposes of this subsection, 'illegitimacy ratio' shall
35	mean the number of out-of-wedlock births in each county in a fiscal year divided by the
36	total number of out-of-wedlock births in the State, beginning with the 1995-96 fiscal
37	year.
38	Beginning with the 1998-99 fiscal year, for reducing the number of out-of wedlock
39	births, a county shall receive a five percent (5%) increase in its grant if the county's
40	'illegitimacy ratio' is one percentage point lower than it was for fiscal year 1995-96 or a
41	ten percent (10%) increase in its grant if the county's 'illegitimacy ratio' is two percentage
42	points or more lower than it was for fiscal year 1995-96.

1	A county may expend up to five percent (5%) of the total grant for the administrative
2	costs of operating any service pursuant to this subsection. A county may enter into
3	contracts with a public, nonprofit, or private entity to provide any service pursuant to this
4	subsection.
5	The Department shall ensure that an audit of the funds expended pursuant to this
6	subsection shall be conducted at least every two years.
7	All county plans developed for the use of the block grants pursuant to this section
8	should include a mechanism for alerting the local child support enforcement agency of
9	those parents giving birth out-of-wedlock in order to enable the local child support
10	agency to inform these parents of the child support enforcement services available to
11	them.
12	" <u>§ 108A-26.6. Family cap limitation.</u>
13	(a) The Department of Human Resources shall ensure that no increases in AFDC
14	assistance are provided, other than general increases provided to all recipients, to a
15	recipient family for any additional dependent child born 10 months after the effective
16	date of this section. The dependent child shall be eligible for Food stamps, Medicaid, and
17	<u>WIC.</u>
18	(b) The Department shall ensure that a family who discontinues receiving
19	assistance for any reason and who subsequently reapplies for assistance shall not include
20	any additional children in the family size for the purpose of determining the amount of
21	assistance than were included in the family size at the time assistance was discontinued,
22	unless the family did not receive assistance for 24 months or more.
23	(c) <u>These limitations shall not apply if: (i) the birth of the child is the result of rape</u>
24	or incest, and these offenses were duly reported to the appropriate law enforcement
25	agency; or (ii) the birth results from the failure of a birth control device which is
26	medically verifiable, such as an intrauterine device (IUD), Norplant, or sterilization.
27	" <u>§ 108A-26.7. Limited benefits for minor parents.</u>
28	(a) <u>No assistance, including Medicaid, WIC, or any services that may be provided</u>
29	by the county pursuant to G.S. 108A-26.5(c), shall be provided to or on behalf of a minor
30	under the age of 18 who has never married and who has a child or is pregnant unless such
31	minor resides with a parent, legal guardian, or other adult relative, or in a foster home,
32	maternity home, or residential care facility.
33	(b) This limitation shall not apply if: (i) there is reason to believe that a minor
34	parent or the minor parent's child will be subject to abuse as a consequence of living with
35	a parent or guardian of the minor parent; or (ii) the director of the local department of
36	social services determines that the minor is in a separate household for other reasons of
37	health, safety, or due to being forced out of the parent's or guardian's home; or (iii) the
38	minor has no parent or legal guardian who is living or the whereabouts of the minor's
39	parents or legal guardian are unknown; or (iv) federal law or regulation, such as HUD
40	occupancy levels in public housing prohibit these constraints.
41	" <u>§ 108A-26.8. Child support; parent's financial responsibility.</u>
42	(a) <u>The Department of Human Resources shall ensure that G.S. 110-131 and all</u>

43 other existing laws and procedures for establishing paternity and support of children

1	whose sustained percent applies for assistance or who is surrently reasiving assistance
1	whose custodial parent applies for assistance or who is currently receiving assistance
2	pursuant to this Article, are enforced for all children up to the age of 18.
3	(b) The Department shall ensure that a minor noncustodial parent who is working
4	either full time or part time comply with all child support wage withholding procedures.
5	(c) <u>A county may contract with any public or private entity for the collection of</u>
6	child support when to do so would most economically and effectively ensure that child
7	support is collected. The use of private process servers for child support matters may be
8	allowed and the costs shall be reimbursable.
9	(d) Child support collected on behalf of children born out-of-wedlock or children
10	who are subject to the family cap limitation in G.S. 108A-26.6 shall be treated in the
11	same manner as child support collected for non-AFDC cases. The child support shall be
12	paid directly to the family and shall be subject to any fee for collection applicable to non-
13	AFDC cases.
14	" <u>§ 108A-26.9. Nonsupport work incentive program.</u>
15	(a) The Department of Crime Control and Public Safety shall, in cooperation with
16	the Department of Human Resources and the Administrative Office of the Courts, assist
17	in the implementation of nonsupport work incentive programs across the State. These
18	nonsupport work incentive programs shall provide an alternative to incarceration for
19	nonsupport through the use of court-ordered community service work for unemployed
20	noncustodial parents who have child support arrearages.
21	(b) Minor noncustodial parents shall be required to participate in nonsupport work
22	incentive programs. If the minor noncustodial parent is a student, any required
23	community service work shall take precedence over nonacademic activities.
24	" <u>§ 108A-26.10. Learnfare; Healthfare.</u>
25	(a) The Department of Human Resources shall ensure that a family receiving
26	AFDC assistance pursuant to this Article acts responsibly in raising its children by seeing
27	that its children attend school, if required by the Compulsory Attendance Law, for at least
28	eighty percent (80%) of the time and that its children receive all the immunizations and
29	other health services that are required of and provided for them by State and federal law,
30	unless the family qualifies for an Immunization Law exemption.
31	If a dependent child does not attend school for at least eighty percent (80%) of the
32	time, if required by the Compulsory Attendance Law, the Department shall reduce the
33	family's assistance by fifty dollars (\$50.00) each month each child's attendance does not
34	meet this requirement.
35	If a family does not provide a dependent child with the age-appropriate
36	immunizations and other health services, including preventive health services, that are
37	required of and provided for the family, the Department shall reduce the family's
38	assistance by fifty dollars (\$50.00) for each month the appropriate services are not
39	provided to each child, unless the family qualifies for an Immunization Law exemption.
40	(b) The Department, in cooperation with the State Board of Education, the
41	Department of Environment, Health, and Natural Resources, the Social Services
42	Commission, the Office of Nonpublic Education in the Office of the Governor, and the
43	Commission for Health Services, shall ensure that actual notice of pending failure to meet

1	Compulsory Attendance Law requirements and of due dates for immunizations and other
2	available health services are received by families receiving assistance pursuant to this
3	Part.
4	The Department, in cooperation with these agencies, shall also ensure:
5	(1) That clear and equitable rules are applied:
6	<u>a.</u> <u>To the monitoring of families' failures to act responsibly pursuant</u>
7	to this section; and
8	b. <u>To the restoring of full unreduced assistance as soon as possible;</u>
9	(2) That these rules are made clear to the families; and
10	(3) That local departments of social services work with their families:
11	a. <u>To help them keep their children in school;</u>
12	b. <u>To keep them provided with the appropriate health services; and</u>
13	c. If possible, to keep them from having to have their assistance
14	reduced.
15	(c) Additionally, any custodial parent of an out-of-wedlock dependent child who
16	has not obtained a high school diploma shall complete the requirements for a high school
17	diploma either by continuing school attendance and graduating or by attending and
18	completing an adult basic education program, unless the director of the local social
19	services department waives this requirement. If a recipient is considered to be
20	'functionally illiterate', they shall participate in a literacy program, unless the director of
21	the local social services department waives this requirement. Unless a custodial parent
22	required to receive education by this subsection is actively completing this education, the
23	parent shall not be eligible for any of the services provided by the parent's county and
24	shall be eligible for Medicaid and WIC only.
25	" <u>§ 108A-26.11. Benefits included as income.</u>
26	The Department of Human Resources shall ensure that the following is included as
27	income for the purposes of determining AFDC eligibility:
28	(1) One hundred percent (100%) of the monthly food stamp allotment for
29	which the assistance unit qualifies; and
30	(2) One hundred percent (100%) of the monthly housing subsidy for which
31	the assistance unit qualifies.
32	" <u>§ 108A-26.12. Other household resources.</u>
33	(a) The General Assembly finds that pursuant to federal regulations for AFDC,
34	there is no incentive for AFDC recipients to adopt traditional family structures because
35	the income of a 'substitute parent' or 'man-in-the-house' is not an acceptable basis for a
36	finding of ineligibility or for assuming the availability of income in determining AFDC
37	assistance pursuant to 45 CFR § 233.90. The General Assembly finds further that a
38	person who is living with a recipient parent as a 'substitute parent' or 'man-in-the-house'
39	should bear the same responsibilities and obligations as the recipient parent with regard
40	to the family.
41	(b) The Department shall ensure that the income of a person living with a recipient
42	family as a 'substitute parent' or 'man-in-the-house' shall be treated as a resource for the
43	purpose of determining the AFDC eligibility for that family.

1	"§ 108A-26.13. Elimination of disincentives.
2	(a) The General Assembly finds that a reliable vehicle or work equipment is often
3	a necessity to fulfill the family's education, training, work, and medical requirements.
4	Therefore, the Department of Human Resources shall ensure that the following is exempt
5	from the assistance unit's eligibility resource limits:
6	(1) The value of one motor vehicle; and
7	(2) The value of any equipment used by a self-employed person in a
8	business.
9	(b) The Department shall ensure that the AFDC-Unemployed Parent disincentives
10	are removed by:
11	(1) Eliminating the '100-hour rule' which currently removes assistance from
12	two-parent 'unemployed parent' families in which the principal wage
13	earner works 100 hours or more a month; and
14	(2) Eliminating the requirement of an employment history for two-parent
15	'unemployed parent' families, which currently requires that one parent
16	shall have worked and earned at least fifty dollars (\$50.00) in 6 of 13
17	calendar quarters prior to the date of application in order to receive
18	assistance.
19	" <u>§ 108A-26.14. Individual Development Accounts.</u>
20	(a) An Individual Development Account (IDA) is a special bank account that a
21	recipient of assistance may establish pursuant to this Part. The purpose of an Individual
22	Development Account is to allow the savings of a family receiving Aid to Families with
23	Dependent Children to be used for 'qualified distributions'.
24	(b) The term 'qualified distribution' means a distribution from the Individual
25	Development Account on behalf of a recipient family member for expenses directly
26	related to one or more of the following purposes:
27	(1) Attendance or participation in any education or training program;
28	(2) Enhancement of employment or self-employment opportunities,
29	including the purchase of an automobile and automobile insurance;
30	(3) Purchase of a home for the family;
31	(4) <u>Relocation of the family residence; or</u>
32	(5) Acquisition of health, disability, or long-term care insurance.
33	(c) <u>The Department of Human Resources shall cooperate with the State Banking</u>
34	Commission, the Credit Union Division, and the Savings Institution Division in
35	establishing and administering these accounts to ensure that only 'qualified distributions'
36	are made from these accounts.
37	(d) The assistance unit may accumulate and retain financial assets not to exceed
38	ten thousand dollars (\$10,000) without losing eligibility for full benefits if those assets
39	are placed in an Individual Development Account.
40	(e) Any interest or income earned on an Individual Development Account and any
41	'qualified distribution' from the account shall be disregarded as income provided that the
42	total amount of the account does not exceed ten thousand dollars (\$10,000).

1	(f) For purposes of this section, nonrecurring lump-sum income shall not be
1	
2	treated as income subject to the requirements of 45 CFR § 233.20, provided that such
3	lump-sum income is placed in an Individual Development Account, and the total amount
4	of the account does not exceed ten thousand dollars (\$10,000).
5	(g) The Department of Human Resources shall disregard the first three months of a
6	recipient's employment earnings if that net earned income is placed in an Individual
7	Development Account.
8	(h) The failure to hold or use assets as prescribed in this section shall cause those
9	assets to be treated as income for the purposes of this Part. The 'qualified distribution'
10	limits on the use of the Individual Development Account funds shall continue after a
11	recipient holding the account has left public assistance.
12	(i) If a recipient holding an Individual Development Account has left public
13	assistance, the account shall be disregarded in determining future eligibility provided that
14	the account was established during a previous time when the recipient was receiving
15	assistance.
16	" <u>§ 108A-26.15. Time limits on AFDC benefits; transitional benefits.</u>
17	(a) AFDC assistance shall be limited to a period of two years, upon the effective
18	date of this Part, for any recipient required to participate in any State-designated
19	employment program; provided that the two-year limit shall not begin until age 18 for
20	minors who receive assistance and would otherwise be required to participate in any
21	State-designated employment program. The two-year limitation shall apply to benefits
22	received consecutively or nonconsecutively. A recipient who has exhausted the two-year
23	time limit shall not be eligible to reapply for assistance for three years.
24	(b) A recipient who is employed full time on or before the end of the two-year
25	time limit shall be eligible to receive 24 months of transitional child care benefits
26	provided on a sliding scale based on income and Medicaid benefits provided through
27	copayment on a sliding scale based on income.
28	(c) The two-year time limit may be extended for not more than 12 additional
29	months if the local director of social services determines the extension will enhance the
30	recipient's ability to leave public assistance for paid employment; provided, however,
31	any child care and Medicaid benefits received during the 12-month extension shall count
32	toward the transitional child care and Medicaid benefits available pursuant to subsection
33	(b) of this section.
34	(d) Upon the effective date of this Part, no recipient required to participate in any
35	State-designated employment program shall receive assistance for more than a
36	cumulative 60-month period.
37	(e) <u>The Department of Human Resources shall adopt rules necessary to implement</u>
38	this section.
39	" <u>§ 108A-26.16. Diversionary assistance.</u>
40	(a) <u>The Department of Human Resources shall ensure that diversionary assistance</u>
41	is provided to persons who have short-term assistance needs and may be diverted from
42	receiving continuing public assistance if a diversion payment for a one-time emergency is
43	provided.

1	
1	(b) <u>A recipient of diversionary assistance may receive a diversion payment equal</u>
2	to the maximum amount of the AFDC cash assistance the recipient would otherwise be
3	eligible to receive for up to three times the amount of the monthly grant for the household
4	size. The actual amount of the diversion payment shall be based on the recipient's
5	immediate needs and for the sum as negotiated by the caseworker and the participant.
6	(c) <u>The diversion payment is not an entitlement or a requirement, but is an option</u>
7	subject to approval by both the caseworker and the participant.
8	(d) <u>A recipient may receive diversionary assistance only once within a 60-month</u>
9	period.
10	(e) If the recipient reapplies for assistance within three months, the diversion
11	payment shall be prorated over the three months and shall be subtracted from any regular
12	AFDC grant the recipient is eligible to receive.
13	(f) <u>A recipient applying for diversionary assistance shall cooperate fully with the</u>
14	appropriate child-support enforcement agency. Child support collected on behalf of a
15	recipient of diversionary assistance shall be treated in the same manner as non-AFDC
16	child support and paid directly to the family.
17	(g) Diversionary assistance shall be a one-time payment and shall not count as
18	income for the purpose of determining food stamp eligibility.
19	(h) The Department of Human Resources shall adopt rules necessary to implement
20	this section.
