Section 6. Chapter 113A of the General Statutes is amended by adding a new Article to read:

"ARTICLE 16.

"Conservation Easements Program.

"§ 113A-230. Legislative findings; intent.

The General Assembly finds that a statewide network of protected natural areas, riparian buffers, and greenways can best be accomplished through a conservation easements program. The General Assembly further finds that other public conservation and use programs, such as natural area protection, beach access, trail systems, historic landscape protection, and agricultural preservation, can benefit from increased conservation tools. In this Article, the General Assembly therefore intends to extend the ability of the Department of Environment, Health, and Natural Resources to achieve these purposes and to strengthen the capability of private nonprofit land trusts to participate in land and water conservation.

"§ 113A-231. Program to accomplish conservation purposes.

The Department of Environment, Health, and Natural Resources shall develop a nonregulatory program that uses conservation tax credits as a prominent tool to accomplish conservation purposes, including the maintenance of ecological systems.

"§ 113A-232. Conservation Grant Fund.

(a) Fund Created. – The Conservation Grant Fund is created within the Department of Environment, Health, and Natural Resources. The Fund shall be administered by that Department. The purpose of the Fund is to stimulate the use of conservation easements, to improve the capacity of private nonprofit land trusts to successfully accomplish conservation projects, to better equip real estate related professionals to pursue opportunities for conservation, to increase citizen participation in land and water conservation, and to provide an opportunity to leverage private and other public monies for conservation easements.

(b) Fund Sources. – The Conservation Grant Fund shall consist of any monies appropriated to it by the General Assembly and any monies received from public or private sources. Unexpended monies in the Fund that were appropriated from the General Fund by the General Assembly shall revert at the end of the fiscal year unless the General Assembly otherwise provides. Unexpended monies in the Fund from other sources shall not revert and shall remain available for expenditure in accordance with this Article.

(c) Eligibility. – In order for land to be the subject of a grant under this Article, the land must possess or have a high potential to possess ecological value, must be reasonably restorable, and must qualify for tax credits under G.S. 105-130.34 or G.S. 105-151.12. Private nonprofit land trust organizations must be qualified pursuant to G.S. 105-130.34 and G.S. 105-151.12 and must be certified under section 501(c)(3) of the Internal Revenue Code.

(d) Use of Revenue. – Revenue in the Conservation Grant Fund may be used only for the following purposes:

- (1) The administrative costs of the Department in administering the Fund.
- (2) Conservation grants made in accordance with this Article.
- (3) To establish an endowment account, the interest from which will be used for a purpose described in G.S. 113A-233(a)(3) or (a)(5).

"§ 113A-233. Uses of a grant from the Conservation Grant Fund.

(a) Allowable Uses. – A grant from the Conservation Grant Fund may be used only to pay for one or more of the following costs:

- (1) Reimbursement for total or partial transaction costs for donations from individuals or corporations satisfying either of the following:
 - a. Insufficient financial ability to pay all costs or insufficient taxable income to allow these costs to be included in the donated value.
 - b. Insufficient tax burdens to allow these costs to be offset by the value of tax credits under G.S. 105-130.34 or G.S. 105-151.12 or by charitable deductions.
- (2) Management support, including initial baseline inventory and planning.
- (3) Monitoring compliance with conservation easements, the related use of riparian buffers, natural areas, and greenways, and the presence of ecological integrity.
- (4) Education on conservation, including information materials intended for landowners and education for staff and volunteers.
- (5) Stewardship of land.
- (6) Transaction costs, including legal expenses, closing and title costs, and unusual direct costs, such as overnight travel.
- (7) Administrative costs for short-term growth or for building capacity.

(b) Prohibition. – The Fund shall not be used to pay the purchase price for any interest in land.

"§ 113A-234. Administration of grants.

The Secretary of Environment, Health, and Natural Resources shall establish the procedures and criteria for awarding grants from the Conservation Grant Fund. The criteria shall focus grants on those areas, approaches, and techniques that are likely to provide the optimum positive effect on environmental protection. The Secretary shall make the final decision on the award of grants and shall announce the award publicly in a timely manner.

The Secretary may administer the grants under this Article or may contract for selected activities under this Article. If administrative services are contracted, the Department shall establish guidance and criteria for its operation and contract with a statewide nonprofit land trust service organization.

"§ 113A-235. Conservation easements.

Ecological systems and appropriate public use of these systems may be protected through conservation easements, including conservation agreements under Article 4 of Chapter 121 of the General Statutes, the Conservation and Historic Preservation Agreements Act. The Department of Environment, Health, and Natural Resources shall work cooperatively with State and local agencies and qualified nonprofit organizations to monitor compliance with conservation easements and conservation agreements and to ensure the continued viability of the protected ecosystems."

Section 7. Sections 1 through 3 of this act are effective for taxable years beginning on or after January 1, 1997. The remaining sections of this act become effective July 1, 1997.

In the General Assembly read three times and ratified this the 16th day of June, 1997.
