SESSION LAW 2000-5
HOUSE BILL 1153

AN ACT TO AUTHORIZE THE NORTH CAROLINA MEDICAL BOARD TO ISSUE LIMITED VOLUNTEER LICENSES TO RETIRED PHYSICIANS WHO PROVIDE MEDICAL SERVICES TO INDIGENT PATIENTS WITHOUT COMPENSATION AND TO LIMIT THE LIABILITY OF SUCH RETIRED PHYSICIANS.

The General Assembly of North Carolina enacts:

Section 1. G.S. 90-12 is amended by adding the following new subsection to read as follows:

"§ 90-12. Limited license; limited volunteer license.

(a) The Board may, whenever in its opinion the conditions of the locality where the applicant resides are such as to render it advisable, make any modifications of the requirements of G.S. 90-9, 90-10, and 90-11 as in its judgment the interests of the people living in that locality may demand, and may issue to the applicant a special license, to be entitled a "Limited License," authorizing the holder of the limited license to practice medicine and surgery within the limits only of the districts specifically described therein. A resident's training license shall expire at the time its holder ceases to be a resident in the training program or obtains any other license to practice medicine issued by the Board. The holder of the limited license practicing medicine or surgery beyond the boundaries of the districts as laid down in said license shall be guilty of a Class 3 misdemeanor, and upon conviction shall only be fined not less than twenty-five dollars (\$25.00) nor more than fifty dollars (\$50.00) for each and every offense; and the Board may revoke the limited license, in its discretion, after due notice.

(b) As used in subsection (a) of this section:

- (1) "Limited license" includes a resident's training license.
- (2) "Resident training license" means a license to practice in a medical education and training program, approved by the Board, for the purpose of education or training.

(c) The Board shall issue to an applicant a special license to be entitled a "Limited Volunteer License," authorizing the holder of the limited license to practice medicine and surgery only at clinics which specialize in the treatment of indigent patients. The holder of a limited license issued pursuant to this subsection may not receive compensation for services rendered at clinics specializing in the care of indigent

patients. The Board shall issue a limited license under this subsection to an applicant who:

- (1) Has a license to practice medicine and surgery in another state;
- (2) Produces a letter from the state of licensure indicating the applicant is in good standing; and
- (3) Is authorized to treat personnel enlisted in the United States armed services or veterans.

The Board shall issue a limited license under this subsection within 30 days after an applicant provides the Board with information satisfying the requirements of this subsection.

The holder of a limited license issued pursuant to this subsection who practices medicine or surgery at places other than clinics which specialize in the treatment of indigent patients shall be guilty of a Class 3 misdemeanor and, upon conviction, shall only be fined not less than twenty-five dollars (\$25.00) nor more than fifty dollars (\$50.00) for each and every offense; and the Board may revoke the limited license, in its discretion, after due notice.

(d) The Board may issue a "Limited Volunteer License" as authorized in subsection (c) of this section to an applicant who is a retired physician and has allowed his or her license to practice medicine and surgery in this State or another state to become inactive. Physicians holding a "Limited Volunteer License" under this subsection shall comply with the continuing medical education requirements adopted by the Board."

Section 2. G.S. 90-15 reads as rewritten:

"§ 90-15. License fee; salaries, fees, and expenses of Board.

Each applicant for a license by examination shall pay to the North Carolina Medical Board a fee which shall be prescribed by the Board in an amount not exceeding the sum of four hundred dollars (\$400.00) plus the cost of test materials before being admitted to the examination. Whenever a license is granted without examination, as authorized in G.S. 90-13, the applicant shall pay to the Board a fee in an amount to be prescribed by the Board not in excess of two hundred fifty dollars (\$250.00). Whenever a limited license is granted as provided in G.S. 90-12, the applicant shall pay to the Board a fee not to exceed one hundred fifty dollars (\$150.00), except where a limited license to practice in a medical education and training program approved by the Board for the purpose of education or training is granted, the applicant shall pay a fee of twenty-five dollars ~~(\$25.00)~~ (\$25.00), and where a limited license to practice medicine and surgery only at clinics that specialize in the treatment of indigent patients is granted, the applicant shall not pay a fee. A fee of twenty-five dollars (\$25.00) shall be paid for the issuance of a duplicate license. All fees shall be paid in advance to the North Carolina Medical Board, to be held in a fund for the use of the Board. The compensation and expenses of the members and officers of the Board and all expenses proper and necessary in the opinion of the Board to the discharge of its duties under and to enforce the laws regulating the practice of medicine or surgery shall be paid out of the fund, upon the warrant of the Board. The per diem compensation of Board members shall not exceed two hundred dollars (\$200.00) per day per member for time spent in the

performance and discharge of duties as a member. Any unexpended sum or sums of money remaining in the treasury of the Board at the expiration of the terms of office of the members of the Board shall be paid over to their successors in office.

For the initial and annual registration of an assistant to a physician, the Board may require the payment of a fee not to exceed a reasonable amount."

Section 3. G.S. 90-15.1 reads as rewritten:

"§ 90-15.1. Registration every year with Board.

Every person licensed to practice medicine by the North Carolina Medical Board shall register annually with the Board within 30 days of the person's birthday. A person who registers with the Board shall report to the Board the person's name and office and residence address and any other information required by the Board, and shall pay a registration fee fixed by the Board not in excess of one hundred dollars (\$100.00). A physician who is not actively engaged in the practice of medicine in North Carolina and who does not wish to register the license may direct the Board to place the license on inactive status. For purposes of annual registration, the Board shall use a simplified registration form which allows registrants to confirm information on file with the Board. A physician who fails to register as required by this section shall pay an additional fee of twenty dollars (\$20.00) to the Board. The license of any physician who fails to register and who remains unregistered for a period of 30 days after certified notice of the failure is automatically inactive. ~~A-Except as provided in G.S. 90-12(d),~~ a person whose license is inactive shall not practice medicine in North Carolina nor be required to pay the annual registration fee. Upon payment of all accumulated fees and penalties, the license of the physician may be reinstated, subject to the Board requiring the physician to appear before the Board for an interview and to comply with other licensing requirements. The penalty may not exceed the maximum fee for a license under G.S. 90-13."

of the person rendering the services. The local health department facility, nonprofit community health center, or agency shall use due care in the selection of volunteer medical or health care providers, and this subsection shall not excuse the health department facility, community health center, or agency for the failure of the volunteer medical or health care provider to use ordinary care in the provision of medical services to its patients."
