Whereas, Section 5 of Article XIV of the North Carolina Constitution states that it shall be a proper function of the State of North Carolina to acquire and preserve park, recreational, and scenic areas and, in every other appropriate way, to preserve as a part of the common heritage of this State its open lands and places of beauty; and

Whereas, Lea Island in Pender County is one of the few remaining undeveloped barrier islands on the North Carolina coast; contains examples of high quality coastal natural communities; provides excellent breeding and migration habitat for wildlife, including several rare species; and has been found to possess biological and scenic resources of statewide significance; and

Whereas, the North Carolina State Office of the National Audubon Society has expressed particular interest in the protection of Lea Island and is willing to partner with the State to provide long-term management for the site; Now, therefore,
