"Sec. 7.81. (a) The City of Charlotte shall have the power of eminent domain and may acquire, either by purchase, gift or condemnation, any land, right of access, right-of-way, water right, privilege, easement, or any other interest in or relating to land, water or improvements, either within or without the city limits, for any lawful public use or purpose. In the exercise of the power of eminent domain, the city is hereby vested with all power and authority now or hereafter granted by the laws of North Carolina applicable to the City of Charlotte, and the city shall follow the procedures now or hereafter prescribed by said laws; provided that, notwithstanding the provisions of G.S. 40A-1, in the exercise of its authority of eminent domain for the acquisition of property to be used for streets and highways, water supply and distribution systems, sewage

1 collection and disposal systems, economic development purposes authorized by law
2 within the territory described in subsection (b) of this section, and airports, the City of
3 Charlotte is hereby authorized to use the procedure and authority prescribed in Article 9
4 of Chapter 136 of the General Statutes of North Carolina, as now or hereafter amended;
5 provided further, that whenever therein the words 'Secretary' or 'Secretary of
6 Transportation' appear, they shall be deemed to include the 'City Manager'; provided
7 further that nothing herein shall be construed to enlarge the power of the City of
8 Charlotte to condemn property already devoted to public use. The City of Charlotte is
9 also vested with the authority to condemn for public library purposes, property, rights,
10 privileges, easements and restrictive covenants and conditions, including any restrictive
11 covenants and conditions applicable to real estate now or hereafter owned, restricting the
12 use of same in any manner whatsoever.

13 The City of Charlotte shall have the power of eminent domain to acquire property to
14 provide housing for low- and moderate-income persons, but only to acquire: (i) vacant
15 structures boarded up as a result of housing code violations; (ii) structures that have been
16 found to contain housing code violations that the property owner has failed or refused to
17 correct within a reasonable time; and (iii) vacant properties rendered vacant as a result of
18 a housing code enforcement demolition order. Provided, that in the exercise of its
19 authority of eminent domain to acquire property to provide housing for low- and
20 moderate-income persons, the city shall follow the procedures prescribed in Chapter 40A
21 of the General Statutes. Vesting of title to the property taken under this paragraph and
22 right to possession shall occur pursuant to the provisions of G.S. 40A-42(b). The City
23 may not file an eminent domain action to acquire property described in clauses (i) or (ii)
24 of this paragraph until the property owner has had 150 days from the date of the order
25 finding violations of the City Housing Code to correct the violations. The city council
26 must adopt a plan to use condemned property for low or moderate income housing prior
27 to exercising the powers under this paragraph.

28 (b) The area within which the City of Charlotte is authorized to use the procedure
29 and authority prescribed in Article 9 of Chapter 136 of the General Statutes for economic
