- (4) The State Treasurer, ex officio; and
- (5) The Secretary of Administration, ex officio, chairman.

(c) General Assembly appointments shall serve two year terms. A member shall continue to serve until his successor is duly appointed but a holdover under this provision does not affect the expiration date of the succeeding term. No member of the Board may serve more than three consecutive two year terms.

(d) In case of a vacancy on the Board before the expiration of a member's term, a successor shall be appointed within 30 days of the vacancy for the remainder of the unexpired term by the appropriate official pursuant to subsection (b). pertaining to the administrative services and the investment of deferred funds under the Plan for the purpose of recommending continuation of or changes to such contracts, agreements or arrangements.

(h) It shall be the duty of the Board to devise a uniform Deferred Compensation Plan for teachers and ~~State~~ employees, which shall include a reasonable number of options to the teacher or employee, for the investment of deferred funds, among which may be life insurance, fixed or variable annuities and retirement income contracts, regulated investment trusts, pooled investment funds managed by the Board or its designee, or other forms of investment approved by the Board, always in such form as will assure the desired tax treatment of such funds. The Board may alter, revise and modify the Plan from time to time to improve the Plan or to conform to and comply with requirements of State and federal laws and regulations relating to the deferral of compensation of teachers and public employees generally.

(h1) Notwithstanding any other law, an employee of any county or municipality, an employee of the North Carolina Community College System, or an employee of any political subdivision of the State may participate in any 457 Plan adopted by the State, with the consent of the Board and with the consent of the proper governing authority of such county, municipality, community college, or political subdivision of the State where such employee is employed.

(j) The Board may acquire investment vehicles from any company duly authorized to conduct such business in this State or may establish, alter, amend and modify, to the extent it deems necessary or desirable, a trust for the purpose of facilitating the administration, investment and maintenance of assets acquired by the investment of deferred funds. All assets of the Plan, including all deferred amounts, property and rights purchased with deferred amounts, and all income attributed thereto shall be held in trust for the exclusive benefit of the Plan participants and their beneficiaries.

(k) Members of the Board, who are not officers or employees of the State, shall receive per diem and necessary travel and subsistence in accordance with the provisions of G.S. 138-5, funded as provided in subsection (m) hereof.

(l) All clerical and other services and personnel required by the Board shall be supplied by the Secretary of Administration, funded as provided in subsection (m) hereof.

(m) Investment of deferred funds shall not be unreasonably delayed, and in no case shall the investment of deferred funds be delayed more than 30 days. The Board may accumulate such funds pending investment, and the interest earned on such funds pending investment shall be available to and may be spent in the discretion of the Board only for the reasonable and necessary expenses of the Board. The Secretary of Administration is authorized to prescribe guidelines for the expenditure of such funds by the Board. From time to time as the Board may direct, funds not required for such expenses may be used to defray administrative expenses and fees which would otherwise be required to be borne by teachers and employees who are then participating in the Plan.

(n) A majority of the Board shall constitute a quorum for the transaction of business.

(o) It is intended that the provisions of this Part shall be liberally construed to accomplish the purposes provided for herein."
