29 with established actuarial and underwriting practices.

30 (5) Issue policies of insurance in accordance with the requirements of this
31 Part.

22 the funding mechanisms approved by the General Assembly and from other sources of
23 revenue available to the Plan. The financing mechanisms recommended to and approved
24 by the General Assembly shall provide for a means to adjust those mechanisms
25 annually, or more frequently if necessary, in order to assure that the Plan has the
26 financial capacity to insure the projected number of enrollees.

27 (j) The Board shall make an annual report to the Commissioner, to the Speaker
28 of the House of Representatives, and to the President Pro Tempore of the Senate. The

- 28 (2) The person is determined to be eligible for enrollment in the State
29 Medical Assistance Plan.

8 (h) Except as provided in subsection (g) of this section, a person who ceases to
9 meet the eligibility requirements of this section may be terminated at the end of the Plan
10 period for which the necessary premiums have been paid.

11 **"§ 58-50-180. Unfair referral to Plan.**

12 It is an unfair trade practice under Article 63 of this Chapter for an insurer, insurance
13 producer, as defined in G.S. 58-33-10(7), or third-party administrator to refer an
14 individual employee to the Plan or arrange for an individual employee to apply to the
15 Plan for the purpose of separating that employee from group health insurance coverage
16 provided in connection with the employee's employment.

17 **"§ 58-50-185. Plan administrator.**

18 (a) The Board shall select a Plan administrator through a competitive bidding
19 process to administer the Plan. The Board shall evaluate bids submitted based on criteria
20 established by the Board. The criteria shall allow for the comparison of information

18 standard risk rate by considering the premium rates charged by other insurers offering
19 health insurance coverage to individuals. The standard risk rate shall be established
20 using reasonable actuarial techniques and shall reflect anticipated experience and
21 expenses for such coverage. Initial rates for Plan coverage shall not be less than one
22 hundred twenty-five percent (125%) and not more than one hundred fifty percent
23 (150%) of rates established as applicable for individual standard risks. Subject to the
24 limits provided in this section, subsequent rates shall be established to provide fully for
25 the expected costs of claims including recovery of prior losses, expenses of operation,
26 investment income of claim reserves, and any other cost factors subject to the
27 limitations described in this subsection. In no event shall Plan rates exceed one hundred
28 fifty percent (150%) of rates applicable to individual standard risks.

29 **"§ 58-50-195. Plan benefits.**

30 (a) The Plan shall offer at least two types of health insurance coverage for
31 persons eligible under G.S. 58-50-175. The covered services and benefit levels may
32 vary between the types of coverage, but at least two types of coverage must, at a
33 minimum, cover the benefits and services outlined in the National Association of
34 Insurance Commissioners' Model Health Plan for Uninsurable Individuals Act and
35 consistent with comprehensive coverage generally available to persons who are eligible
36 for health insurance other than Medicare.

37 (b) Subject to approval by the Commissioner, the Board shall establish the health
38 insurance coverage issued by the Plan, including the coverage's schedule of benefits,
39 exclusions, and other limitation of the coverage.

40 **"§ 58-50-200. Preexisting conditions.**

41 (a) Plan coverage shall exclude charges or expenses incurred during the first 12
42 months following the effective date of coverage as to any condition for which medical
43 advice, care, or treatment was recommended or received as to such conditions during
44 the 12-month period immediately preceding the effective date of coverage, except that

1 no preexisting condition exclusion shall be applied to a federally defined eligible
2 individual.

3 (b) Subject to subsection (a) of this section, the preexisting condition exclusions
4 shall be waived to the extent that similar exclusions, if any, have been satisfied under
5 any prior health insurance coverage that was involuntarily terminated; provided, that:

6 (1) Application for Plan coverage is made not later than 63 days following
7 the involuntary termination, and in such case coverage in the Plan shall
8 be effective from the date on which the prior coverage was terminated;
9 and

11 would provide coverage substantially similar to Plan coverage.

13 (a) The Plan shall be payor of last resort of benefits whenever any other benefit
14 or source of third-party payment is available. Benefits otherwise payable under Plan
15 coverage shall be reduced by all amounts paid or payable through any other health
16 insurance coverage and by all hospital and medical expense benefits paid or payable
17 under any workers' compensation coverage, automobile medical payment, or liability
18 insurance, whether provided on the basis of fault or no-fault, and by any hospital or
19 medical benefits paid or payable under or provided pursuant to any State or federal law
20 or program.

21 (b) The Plan shall have a cause of action against an eligible person for the
22 recovery of the amount of benefits paid that are not for covered expenses. Benefits due
23 from the Plan may be reduced or refused as a setoff against any amount recoverable
24 under this subsection.

25 **"§ 58-50-210. Collective action.**

26 The participation in the Plan as participating insurers, the establishment of rates,
27 forms, or procedures, and any other joint or collective action required by this Part may
28 not be the basis of any legal action or criminal or civil liability or penalty against the
29 Plan or any participating insurer.

30 **"§ 58-50-215. Taxation.**

31 The Plan established under this Part is exempt from any and all taxes."

32 **SECTION 2.** The Board of Directors of the North Carolina Health Insurance
33 Plan, as appointed under Section 1 of this act, shall recommend a method or methods
34 for financing the Plan that will provide a stable funding source and allow for its
35 continued operation. In developing its recommendation for financing, the Board shall
36 review coverage available under health insurance high-risk pools enacted in other states,
37 the National Association of Insurance Commissioners' Model Health Plan for
38 Uninsurable Individuals Act, including proposed amendments to that model act, and
39 actuarial and other information necessary for the development and financing of a fair,
40 reasonable, and equitable comprehensive health insurance benefit plan. No later than
41 April 1, 2004, the Board shall submit a report of its findings and recommendations to
42 the Commissioner of Insurance and the General Assembly. The report shall include the
