SECTION 2. G.S. 143-135.26(12) reads as rewritten:

"§ 143-135.26. Powers and duties of the Commission.

The State Building Commission shall have the following powers and duties with regard to the State's capital facilities development and management program:

- (12) To adopt rules governing the use of open-end design agreements for State capital improvement projects and community college buildings as defined in subdivision (4) of this section, where the ~~fee~~ expenditure

of public money does not exceed the amount specified in ~~G.S. 143-64.34(b)~~ G.S. 143-64.34(b) or (c).

.....
" **SECTION 3.** As part of the study of the William S. Lee Act and the Job Development Investment Grant Program directed in Section 8 of S.L. 2005-241, the Economic Development Oversight Committee (Committee) shall study the use of reverse auctions for the procurement of professional services, including architectural, engineering, surveying and construction management at risk, or other construction services, by businesses that receive economic development incentives from the State or a local government. The Committee shall consider the advisability of making business incentives contingent upon a business's commitment not to use a reverse auction procurement process. The Economic Development Oversight Committee shall complete the study and submit it to the General Assembly before the beginning of the 2006 Regular Session of the 2005 General Assembly.

SECTION 4. Sections 3 and 4 of this act are effective when this act becomes law. The remainder of this act becomes effective October 1, 2005.

In the General Assembly read three times and ratified this the 24th day of August, 2005.
