9 "**§ 58-33-86. Insurance producer compensation transparency.**

10 (a) Where any insurance producer or any affiliate of an insurance producer
11 receives any compensation from the customer for the placement of insurance or
12 represents the customer with respect to that placement, neither that producer nor the
13 affiliate shall accept or receive any compensation from an insurer or other third party for
14 that placement of insurance unless the producer has, prior to the customer's purchase of
15 insurance:

- 16 (1) Obtained the customer's documented acknowledgment that the
17 compensation will be received by the producer or affiliate; and
18 (2) Disclosed the amount of compensation from the insurer or other third
19 party for that placement. If the amount of compensation is not known
20 at the time of disclosure, the producer shall disclose the specific
21 method for calculating the compensation and, if possible, a reasonable
22 estimate of the amount.

23 (b) Subsection (a) of this section shall not apply to an insurance producer who:

- 24 (1) Does not receive compensation from the customer for the placement of
25 insurance;
26 (2) In connection with that placement of insurance, represents an insurer
27 that has appointed the producer; and
28 (3) Discloses to the customer prior to the purchase of insurance (i) that the
29 insurance producer will receive compensation from an insurer in

1 connection with that placement, or (ii) that, in connection with that
2 placement of insurance, the insurance producer represents the insurer
3 and that the producer may provide services to the customer for the
4 insurer.

5 (c) A person shall not be considered a "customer" for purposes of this section if
6 the person is merely either (i) a participant or beneficiary of an employee benefit plan,
7 or (ii) covered by a group or blanket insurance policy or group annuity contract sold,
8 solicited, or negotiated by the insurance producer or affiliate.

9 (d) This section does not apply to either (i) a person licensed as an insurance
10 producer who acts only as an intermediary between an insurer and the customer's
11 producer, for example a managing general agent, a sales manager, or a wholesale
12 broker, or (ii) a reinsurance intermediary.

13 (e) For purposes of this section:

14 (1) "Affiliate" means a person that controls, is controlled by, or is under
15 common control with the producer.

16 (2) "Compensation from an insurer or other third party" means payments,
17 commissions, fees, awards, overrides, bonuses, contingent
18 commissions, loans, stock options, gifts, prizes, or any other form of
19 valuable consideration, whether or not payable pursuant to a written
20 agreement.

21 (3) "Compensation from the customer" shall not include any fee or
22 amount collected by or paid to the producer that does not exceed an
23 amount established by the Commissioner.

24 (4) "Documented acknowledgment" means the customer's written consent
25 obtained prior to the customer's purchase of insurance. In the case of a
26 purchase over the telephone or by electronic means for which written
27 consent cannot reasonably be obtained, consent documented by the
28 producer shall be acceptable."
