## GENERAL ASSEMBLY OF NORTH CAROLINA SESSION 2005

D

### SENATE DRS85223-SY-13 (03/11)

Short Title: Rename WRP/Codify Ecosystem Enhancement Prgm. (Public)

| Sponsors:    | Senator Albertson. |
|--------------|--------------------|
| Referred to: |                    |

| 1  | A BILL TO BE ENTITLED  |
|----|--|
| 2  | AN ACT TO MAKE TECHNICAL AMENDMENTS TO CHANGE THE NAME OF                              |
| 3  | THE WETLANDS RESTORATION PROGRAM TO THE ECOSYSTEM                                      |
| 4  | ENHANCEMENT PROGRAM AND TO CHANGE THE NAME OF THE                                      |
| 5  | WETLANDS RESTORATION FUND TO THE ECOSYSTEM RESTORATION                                 |
| 6  | FUND.  |
| 7  | The General Assembly of North Carolina enacts:   |
| 8  | SECTION 1. G.S. 143-214.8 reads as rewritten:  |
| 9  | "§ 143-214.8. Wetlands RestorationEcosystem Enhancement Program:                       |
| 10 | established.   |
| 11 | The Wetlands Restoration Ecosystem Enhancement Program is established within the       |
| 12 | Department of Environment and Natural Resources. The Wetlands                          |
| 13 | Restoration Ecosystem Enhancement Program shall be developed by the Department as      |
| 14 | a nonregulatory statewide wetlands restoration ecosystem enhancement program for the   |
| 15 | acquisition, maintenance, restoration, enhancement, and creation of wetland and        |
| 16 | riparian resources that contribute to the protection and improvement of water quality, |
| 17 | flood prevention, fisheries, wildlife habitat, and recreational opportunities. The     |
| 18 | Wetlands Restoration Ecosystem Enhancement Program shall consist of the following      |
| 19 | components:  |
| 20 | (1) Restoration and perpetual maintenance of wetlands.                                 |
| 21 | (2) Development of restoration plans.  |
| 22 | (3) Landowner contact and land acquisition.  |
| 23 | (4) Evaluation of site plans and engineering studies.                                  |
| 24 | (5) Oversight of construction and monitoring of restoration sites.                     |
| 25 | (6) Land ownership and management.   |
| 26 | (7) Mapping, site identification, and assessment of wetlands functions.                |
|    |  |

**General Assembly of North Carolina** 

| 1  | (8) Oversight of private wetland mitigation banks to facilitate the  |
|--|--|
| 1<br>2   | (8) Oversight of private wetland mitigation banks to facilitate the components of the Wetlands RestorationEcosystem Enhancement  |
| 23   | Program."  |
| 4  | SECTION 2. G.S. 143-214.9 reads as rewritten:  |
| 4<br>5   | "§ 143-214.9. Wetlands Restoration Ecosystem Enhancement Program: purposes.  |
| 5<br>6   | The purposes of the program are as follows:  |
| 7  | (1) To restore wetlands functions and values across the State to replace   |
| 8  | critical functions lost through historic wetlands conversion and   |
| 9  | through current and future permitted impacts. It is not the policy of the  |
| 10   | State to destroy upland habitats unless it would further the purposes of   |
| 10   | the Wetlands Restoration Ecosystem Enhancement Program.  |
| 12   | (2) To provide a consistent and simplified approach to address mitigation  |
| 12   | requirements associated with permits or authorizations issued by the   |
| 13<br>14   | United States Army Corps of Engineers under 33 U.S.C. § 1344.  |
| 15   | (3) To streamline the wetlands permitting process, minimize delays in  |
| 16   | permit decisions, and decrease the burden of permit applicants of  |
| 17   | planning and performing compensatory mitigation for wetlands losses.   |
| 18   | (4) To increase the ecological effectiveness of compensatory mitigation.   |
| 19   | (5) To achieve a net increase in wetland acres, functions, and values in   |
| 20   | each major river basin.  |
| 21   | (6) To foster a comprehensive approach to environmental protection."   |
| 22   |  |
|  | SECTION 5. G.S. 145-214.10 reads as rewritten.   |
| 22   | SECTION 3. G.S. 143-214.10 reads as rewritten:<br>"§ 143-214.10. Wetlands RestorationEcosystem Enhancement Program:  |
|  | "§ 143-214.10. Wetlands RestorationEcosystem Enhancement Program:  |

Commission. All compensatory wetlands mitigation, whether performed by the

44

Department or by permit applicants, shall be consistent with the basinwide restoration 1 2 plans. 3 Mitigation Emphasis on Replacing Ecological Function Within Same River (c) Basin. - The emphasis of mitigation is on replacing functions within the same river 4 5 basin unless it is demonstrated that restoration of other areas would be more beneficial 6 to the overall purposes of the Wetlands Restoration Ecosystem Enhancement Program. 7 Compensatory Mitigation Options Available to Applicant. - An applicant (d) 8 may satisfy compensatory wetlands mitigation requirements by the following actions, if 9 those actions are consistent with the basinwide restoration plans and also meet or 10 exceed the requirements of the United State States Army Corps of Engineers: Payment of a fee established by the Department into the Wetlands 11 (1)12 Ecosystem Restoration Fund established in G.S. 143-214.12. 13 (2)Donation of land to the Wetlands Restoration Ecosystem Enhancement 14 Program or to other public or private nonprofit conservation 15 organizations as approved by the Department. 16 (3)Participation in a private wetlands mitigation bank. 17 (4) Preparing and implementing a wetlands restoration plan. 18 (e) Payment Schedule. – A standardized schedule of per-acre payment amounts 19 shall be established by the Environmental Management Commission. The monetary 20 payment shall be based on the ecological functions and values of wetlands permitted to 21 be lost and on the cost of restoring or creating wetlands capable of performing the same or similar functions, including directly related costs of wetlands restoration planning, 22 23 long-term monitoring, and maintenance of restored areas. 24 Mitigation Banks. - State agencies and private mitigation banking companies (f) 25 shall demonstrate that adequate, dedicated financial surety exists to provide for the perpetual land management and hydrological maintenance of lands acquired by the 26 27 State as mitigation banks, or proposed to the State as privately operated and permitted mitigation banks. 28 29 (g) Payment for Taxes. – A State agency acquiring land to restore, enhance, 30 preserve, or create wetlands must also pay a sum in lieu of ad valorem taxes lost by the county in accordance with G.S. 146-22.3." 31 32 SECTION 5. G.S. 143-214.12 reads as rewritten: 33 "§ 143-214.12. Wetlands Restoration Ecosystem Enhancement Program: Wetlands 34 **Ecosystem Restoration Fund.** 35 Wetlands Ecosystem Restoration Fund. - The Wetlands Ecosystem (a) Restoration Fund is established as a nonreverting fund within the Department. The Fund 36 37 shall be treated as a special trust fund and shall be credited with interest by the State 38 Treasurer pursuant to G.S. 147-69.2 and G.S. 147-69.3. The Wetlands Ecosystem 39 Restoration Fund shall provide a repository for monetary contributions and donations or dedications of interests in real property to promote projects for the restoration, 40 enhancement, preservation, or creation of wetlands and riparian areas and for payments 41 42 made in lieu of compensatory mitigation as described in subsection (b) of this section. No funds shall be expended from this Fund for any purpose other than those directly 43 44 contributing to the acquisition, perpetual maintenance, enhancement, restoration, or

#### **General Assembly of North Carolina**

creation of wetlands and riparian areas in accordance with the basinwide plan as described in G.S. 143-214.10. The cost of acquisition includes a payment in lieu of ad valorem taxes required under G.S. 146-22.3 when the Department is the State agency making the acquisition.

5 The Department may distribute funds from the Wetlands Ecosystem (a1) 6 Restoration Fund directly to a federal or State agency, a local government, or a private, nonprofit conservation organization to acquire, manage, and maintain real property or 7 8 an interest in real property for the purposes set out in subsection (a) of this section. A 9 recipient of funds under this subsection shall grant a conservation easement in the real 10 property or interest in real property acquired with the funds to the Department in a form that is acceptable to the Department. The Department may convey real property or an 11 12 interest in real property that has been acquired under the **Wetlands** 13 Restoration Ecosystem Enhancement Program to a federal or State agency, a local 14 government, or a private, nonprofit conservation organization to acquire, manage, and 15 maintain real property or an interest in real property for the purposes set out in 16 subsection (a) of this section. A grantee of real property or an interest in real property under this subsection shall grant a conservation easement in the real property or interest 17 18 in real property to the Department in a form that is acceptable to the Department.

19 (b)Authorized Methods of Payment. - A person subject to a permit or 20 authorization issued by the United States Army Corps of Engineers under 33 U.S.C. § 21 1344, may contribute to the Wetlands Restoration Ecosystem Enhancement Program, to comply with conditions to, or terms of, the permit or authorization, if participation in 22 23 the Wetlands Restoration Ecosystem Enhancement Program will meet the mitigation 24 requirements of the United States Army Corps of Engineers. The Department shall, at 25 the discretion of the applicant, accept payment into the Wetlands-Ecosystem Restoration Fund in lieu of other compensatory mitigation requirements of any authorizations issued 26 27 by the United States Army Corps of Engineers under 33 U.S.C. § 1344 if the contributions will meet the mitigation requirements of the United States Army Corps of 28 29 Engineers. Payment may be made in the form of monetary contributions according to a 30 fee schedule established by the Environmental Management Commission or in the form of donations of real property provided that the property is approved by the Department 31 32 as a suitable site consistent with the basinwide wetlands restoration plan.

33 (c) Accounting of Payments. – The Department shall provide an itemized
 34 statement that accounts for each payment into the Fund. The statement shall include the
 35 expenses and activities financed by the payment."

36

#### SECTION 6. G.S. 143-214.13 reads as rewritten:

# 37 "§ 143-214.13. Wetlands Restoration Ecosystem Enhancement Program: reporting 38 requirement.

(a) The Department of Environment and Natural Resources shall report each year
 by November 1 to the Environmental Review Commission regarding its progress in
 implementing the Wetlands RestorationEcosystem Enhancement Program and its use of
 the funds in the Wetlands-Ecosystem Restoration Fund. The report shall document
 statewide wetlands losses and gains and compensatory mitigation performed under
 G.S. 143-214.8 through G.S. 143-214.12. The report shall also provide an accounting of

receipts and disbursements of the Wetlands-Ecosystem Restoration Fund, an analysis of
the per-acre cost of wetlands restoration, and a cost comparison on a per-acre basis
between the State's Wetlands RestorationEcosystem Enhancement Program and private
mitigation banks. The Department shall also send a copy of its report to the Fiscal
Research Division of the General Assembly.
(b) The Department shall maintain an inventory of all property that is held,

(b) The Department shall maintain an inventory of an property that is held,
 managed, maintained, enhanced, restored, or used to create wetlands under the
 Wetlands RestorationEcosystem Enhancement Program. The inventory shall also list all
 conservation easements held by the Department. The inventory shall be included in the
 annual report required under subsection (a) of this section."

11

**SECTION 7.** G.S. 143-214.14(c) reads as rewritten:

12 "(c) Legislative Goals and Policies. - It is the goal of the General Assembly that, 13 to the extent practicable, the State shall adopt water quality protection plans that are 14 developed and implemented in cooperation and coordination with local governments 15 and that the State shall adopt water quality protection requirements that are proportional 16 to the relative contributions of pollution from all sources in terms of both the loading 17 and proximity of those sources. Furthermore, it is the goal of the General Assembly to 18 encourage and support State-local partnerships for improved water quality protection 19 through the provision of technical and financial assistance available through the Clean 20 Water Management Trust Fund, the Wetlands Ecosystem Enhancement Program, the 21 Ecosystem Restoration Fund, water quality planning and project grant programs, the 22 State's revolving loan and grant programs for water and wastewater facilities, other 23 funding sources, and future appropriations. The Commission shall implement these 24 goals in accordance with the standards, procedures, and requirements set out in this 25 section."

26

**SECTION 8.** This act is effective when it becomes law.
