Such immunity shall be deemed to have been waived by the act of obtaining such insurance, but such immunity is waived only to the extent that said board of education is indemnified by insurance for such negligence or tort.

Any contract of insurance purchased pursuant to this section shall be issued by a company or corporation duly licensed and authorized to execute insurance contracts in this ~~State~~ State, including the North Carolina School Boards Trust, or by a qualified insurer as determined by the Department of ~~Insurance~~ Insurance or by a local government risk pool, and shall by its terms adequately insure the local board of education against liability for damages by reason of death or injury to person or

1 property proximately caused by the negligent act or torts of the agents and employees of
2 said board of education or the agents and employees of a particular school in a local
3 administrative unit when acting within the scope of their authority. The local board of
4 education shall determine what liabilities and what officers, agents and employees shall
5 be covered by any insurance purchased pursuant to this section. Any company or
6 corporation which enters into a contract of insurance as above described with a local
7 board of education, by such act waives any defense based upon the governmental
8 immunity of such local board of education.

9 Every local board of education in this State is authorized and empowered to pay as a
10 necessary expense the lawful premiums for such insurance.

11 Any person sustaining damages, or in case of death, his personal representative may

13 damages in any court of competent jurisdiction in this State, but only in the county of
14 such board of education; and it shall be no defense to any such action that the

17 board of education has insurance coverage as provided by this section.

18 Except as hereinbefore expressly provided, nothing in this section shall be construed
19 to deprive any local board of education of any defense whatsoever to any such action
20 for damages or to restrict, limit, or otherwise affect any such defense which said board
21 of education may have at common law or by virtue of any statute; and nothing in this
22 section shall be construed to relieve any person sustaining damages or any personal
23 representative of any decedent from any duty to give notice of such claim to said local
24 board of education or to commence any civil action for the recovery of damages within
25 the applicable period of time prescribed or limited by statute.

26 A local board of education may incur liability pursuant to this section only with
27 respect to a claim arising after such board of education has procured liability insurance
28 pursuant to this section and during the time when such insurance is in force.

29 No part of the pleadings which relate to or allege facts as to a defendant's insurance
30 against liability shall be read or mentioned in the presence of the trial jury in any action
31 brought pursuant to this section. Such liability shall not attach unless the plaintiff shall
32 waive the right to have all issues of law or fact relating to insurance in such an action
33 determined by a jury and such issues shall be heard and determined by the judge
34 without resort to a jury and the jury shall be absent during any motions, arguments,

36 thereto unless the defendant shall request a jury trial thereon: Provided, that this section
37 shall not apply to claims for damages caused by the negligent acts or torts of public
38 school bus, or school transportation service vehicle drivers, while driving school buses
39 and school transportation service vehicles when the operation of such school buses and
40 service vehicles is paid from the State Public School Fund."
