18  
19 If it becomes necessary for a court to appoint a guardian of my person, I nominate the  
20 persons designated in Section 1, in the order named, to be the guardian of my person, to  
21 serve without bond or security. The guardian shall act consistently with  
22 G.S. 35A-1201(a)(5).

23  
24 **8. Reliance of Third Parties on Health Care Agent.**

25  
26 A. No person who relies in good faith upon the authority of or any

43 relatives, friends, and others.

1 **9. Miscellaneous Provisions.**

2  
3 A. Revocation of Prior Powers of Attorney. I revoke any prior health care  
4 power of attorney. The preceding sentence is not intended to revoke  
5 any general powers of attorney, some of the provisions of which may  
6 relate to health care; however, this power of attorney shall take  
7 precedence over any health care provisions in any valid general power  
8 of attorney I have not revoked.

9  
10 B. Jurisdiction, Severability, and Durability. This Health Care Power of  
11 Attorney is intended to be valid in any jurisdiction in which it is  
12 presented. The powers delegated under this power of attorney are  
13 severable, so that the invalidity of one or more powers shall not affect  
14 any others. This power of attorney shall not be affected or revoked by  
15 my incapacity or mental incompetence.

16  
17 C. Health Care Agent Not Liable. My health care agent and my health  
18 care agent's estate, heirs, successors, and assigns are hereby released  
19 and forever discharged by me, my estate, my heirs, successors, assigns,  
20 and personal representatives from all liability and from all claims or  
21 demands of all kinds arising out of my health care agent's acts or  
22 omissions, except for my health care agent's willful misconduct or  
23 gross negligence.

24  
25 D. No Civil or Criminal Liability. No act or omission of my health care  
26 agent, or of any other person, entity, institution, or facility acting in  
27 good faith in reliance on the authority of my health care agent pursuant  
28 to this Health Care Power of Attorney shall be considered suicide, nor  
29 the cause of my death for any civil or criminal purposes, nor shall it be  
30 considered unprofessional conduct or as lack of professional  
31 competence. Any person, entity, institution, or facility against whom  
32 criminal or civil liability is asserted because of conduct authorized by  
33 this Health Care Power of Attorney may interpose this document as a  
34 defense.

SECTION 11.(d) G.S. 90-321(e), (h), and (i) read as rewritten:

"(e) ~~The above declaration may be revoked by the declarant, in any manner by which he is able to communicate his intent to revoke, without regard to his mental or physical condition. Such revocation shall become effective only upon communication to the attending physician by the declarant or by an individual acting on behalf of the declarant.~~ A declaration may be revoked by the declarant, in writing or in any manner by which the declarant is able to communicate the declarant's intent to revoke in a clear and consistent manner, without regard to the declarant's mental or physical condition. A health care provider shall have no liability for acting in accordance with a revoked declaration unless the provider has actual notice of the revocation. A health care agent may not revoke a declaration unless the health care power of attorney explicitly authorizes that revocation; however, a health care agent may exercise any authority explicitly given to the health care agent in a declaration. A guardian of the person of the declarant or general guardian may not revoke a declaration.

(h) The withholding or discontinuance of ~~extraordinary means and/or the withholding or discontinuance of either artificial nutrition or hydration, or both life-prolonging measures~~ in accordance with this section shall not be considered the

1 cause of death for any civil or criminal purposes nor shall it be considered  
2 unprofessional ~~conduct~~ or a lack of professional competence. Any person,  
3 institution or facility against whom criminal or civil liability is asserted because of  
4 conduct in compliance with this section may interpose this section as a defense. The  
5 protections of this section extend to any valid declaration, including a document valid  
6 under subsection (l) of this section; these protections are not limited to declarations  
7 prepared in accordance with the statutory form provided in subsection (d1) of this  
8 section, or to declarations filed with the Advance Health Care Directive Registry  
9 maintained by the Secretary of State. A health care provider may rely in good faith on  
10 an oral or written statement by legal counsel that a document appears to meet the  
11 statutory requirements for a declaration.

12 (i) ~~Any certificate in the form provided by this section prior to July 1, 1979, shall~~  
13 ~~continue to be valid.~~ Use of the statutory form prescribed in subsection (d1) of this  
14 section is an optional and nonexclusive method for creating a declaration and does not  
15 affect the use of other forms of a declaration, including previous statutory forms."

16 **SECTION 11.(e)** G.S. 90-321 is amended by adding the following new  
17 subsections to read:

18 "(k) Notwithstanding subsection (c) of this section:

19 (1) An attending physician may decline to honor a declaration that  
20 expresses a desire of the declarant that life-prolonging measures not be  
21 used if doing so would violate that physician's conscience or the  
22 conscience-based policy of the facility at which the declarant is being  
23 treated; provided, an attending physician who declines to honor a  
24 declaration on these grounds must not interfere, and must cooperate  
25 reasonably, with efforts to substitute an attending physician whose  
26 conscience would not be violated by honoring the declaration, or  
27 transfer the declarant to a facility that does not have policies in force  
28 that prohibit honoring the declaration.

29 (2) An attending physician may decline to honor a declaration if after  
30 reasonable inquiry there are reasonable grounds to question the  
31 genuineness or validity of a declaration. The subsection imposes no  
32 duty on the attending physician to verify a declaration's genuineness or  
33 validity.

34 (l) Notwithstanding subsection (c) of this section, a declaration or similar  
35 document executed in a jurisdiction other than North Carolina shall be valid in this State  
36 if it appears to have been executed in accordance with the applicable requirements of  
37 that jurisdiction or this State."

38 **SECTION 12.** G.S. 90-322 reads as rewritten:

9 (c) ~~A valid consent is one which is given by a person who under all the~~

- 23 (2) A health care agent appointed pursuant to a valid health care power of  
24 attorney, to the extent of the authority granted;
- 25 (3) An attorney-in-fact, with powers to make health care decisions for the

28 granted;
- 29 (4) The patient's spouse;
- 30 (5) A majority of the patient's reasonably available parents and children

40 authorized to consent for the patient if there is confirmation by a physician other than  
41 the patient's attending physician of the patient's condition and the necessity for

44 endanger the life or seriously worsen the condition of the patient.

1 (d) No action may be maintained against any health care provider upon any  
2 guarantee, warranty or assurance as to the result of any medical, surgical or diagnostic  
3 procedure or treatment unless the guarantee, warranty or assurance, or some note or  
4 memorandum thereof, shall be in writing and signed by the provider or by some other  
5 person authorized to act for or on behalf of such provider.

6 (e) In the event of any conflict between the provisions of this section and those of  
7 G.S. 35A-1245, 90-21.17, and 90-322, and Articles 1A and 19 of  
8 Chapter 90, and Article 3 of Chapter 122C of the General Statutes, the provisions of  
9 those sections and Articles shall control and continue in full force and effect."

10 **SECTION 14.** G.S. 90-21.17 reads as rewritten:

11 "**§ 90-21.17. Portable do not resuscitate order and Medical Order for Scope**  
12 **of Treatment.**

13 (a) It is the intent of this section to recognize a patient's desire and right to  
14 withhold cardiopulmonary resuscitation and other life-prolonging measures to avoid  
15 loss of dignity and unnecessary pain and suffering through the use of a portable do not  
16 resuscitate ("DNR") ~~order~~ order or a Medical Order for Scope of Treatment (MOST).

17 This section establishes an optional and nonexclusive procedure by which a patient  
18 or the patient's representative may exercise this right.

19 (b) A physician may issue a portable DNR order or MOST for a patient:

20 (1) With the consent of the patient;

21 (2) If the patient is a minor, with the consent of the patient's parent or  
22 guardian; or

23 (3) If the patient is not a minor but is incapable of making an informed  
24 decision regarding consent for the order, with the consent of the  
25 patient's representative.

26 The physician shall document the basis for the DNR order or MOST in the patient's  
27 medical record. When the order is a MOST, the patient or the patient's representative  
28 must sign the form, provided, however, that if it is not practicable for the patient's  
29 representative to sign the original MOST form, the patient's representative shall sign a  
30 copy of the completed form and return it to the health care professional completing the  
31 form. The copy of the form with the signature of the patient's representative, whether in  
32 paper or electronic form, shall be placed in the patient's medical record. When the  
33 signature of the patient's representative is on a separate copy of the MOST form, the  
34 original MOST form must indicate in the appropriate signature field that the signature is  
35 "on file".

36 (c) The Department of Health and Human Services shall develop a portable DNR  
37 order ~~form~~ form and a MOST form. The official DNR form shall include fields for the  
38 name of the patient; the name, address, and telephone number of the physician; the  
39 signature of the physician; and other relevant information. At a minimum, the official  
40 MOST form shall include fields for: the name of the patient; an advisory that a patient is  
41 not required to have a MOST; the name, telephone number, and signature of the  
42 physician, physician assistant, or nurse practitioner authorizing the order; the name and  
43 contact information of the health care professional who prepared the form with the  
44 patient or the patient's representative; information on who agreed (i.e., the patient or the

1 patient's representative) to the options selected on the MOST form; a range of options  
2 for cardiopulmonary resuscitation, medical interventions, antibiotics, medically  
3 administered fluids and nutrition; patient or patient representative's name, contact  
4 information, and signature; effective date of the form and review dates; a prominent  
5 advisory that directions in a MOST form may suspend, while those MOST directions  
6 are in effect, any conflicting directions in a patient's previously executed declaration of  
7 an advance directive for a natural death ("living will"), health care power of attorney, or  
8 other legally authorized instrument; and an advisory that the MOST may be revoked by  
9 the patient or the patient's representative. The official MOST form shall also include the  
10 following statement written in boldface type directly above the signature line: '**You are**  
11 **not required to sign this form to receive treatment.**' The form may be approved by  
12 reference to a standard form that meets the requirements of this subsection. For  
13 purposes of this section, the "patient's representative" means an individual from the list  
14 of persons authorized to consent to the withholding of ~~extraordinary care~~  
15 life-prolonging measures pursuant to G.S. 90-322 or an individual who has an  
16 established relationship with the patient, who is acting in good faith on behalf of the  
17 patient, and who can reliably convey the patient's wishes.G.S. 90-322.

18 (d) No physician, emergency medical professional, hospice provider, or other  
19 health care provider shall be subject to criminal prosecution, civil liability, or  
20 disciplinary action by any professional licensing or certification agency for withholding  
21 cardiopulmonary resuscitation or other life-prolonging measures from a patient in good  
22 faith reliance on an original DNR order or MOST form adopted pursuant to subsection  
23 (c) of this section, provided that (i) there are no reasonable grounds for doubting the  
24 validity of the order or the identity of the patient, and (ii) the provider does not have  
25 actual knowledge of the revocation of the portable DNR ~~order~~order or MOST. No  
26 physician, emergency medical professional, hospice provider, or other health care  
27 provider shall be subject to criminal prosecution, civil liability, or disciplinary action by  
28 any professional licensing or certification agency for failure to follow a DNR order or  
29 MOST form adopted pursuant to subsection (c) of this section if the provider had no  
30 actual knowledge of the existence of the DNR ~~order~~order or MOST.

31 (e) A health care facility may develop policies and procedures that authorize the  
32 facility's provider to accept a portable DNR order or MOST as if it were an order of the  
33 medical staff of that facility. This section does not prohibit a physician in a health care  
34 facility from issuing a written order, other than a portable DNR ~~order~~order or MOST  
35 not to resuscitate a patient in the event of cardiac or respiratory arrest, or to use,  
36 withhold, or withdraw additional medical interventions as provided in the MOST, in  
37 accordance with acceptable medical practice and the facility's policies.

38 (f) Nothing in this section shall affect the validity of portable DNR order or  
39 MOST forms in existence prior to the effective date of this section."
