22 A defendant pursuing a course of study or of vocational training shall abide
23 by all of the rules of the institution providing the education or training, and
24 the probation officer shall forward a copy of the probation judgment to that

40 the best interests of justice.

41 ~~A defendant shall not pay costs associated with a substance abuse monitoring program or~~
42 ~~any other special condition of probation in lieu of, or prior to, the payments required by this~~
43 ~~subsection.~~

44 In addition to these regular conditions of probation, a defendant required to serve an active

50 Regular conditions of probation apply to each defendant placed on supervised probation
51 unless the presiding judge specifically exempts the defendant from one or more of the

1 conditions in open court and in the judgment of the court. It is not necessary for the presiding
2 judge to state each regular condition of probation in open court, but the conditions must be set
3 forth in the judgment of the court.

4 Defendants placed on unsupervised probation are subject to the provisions of this
5 subsection, except that defendants placed on unsupervised probation are not subject to the
6 regular conditions contained in subdivisions (2), (3), (6), (8), and (11)."

17 **SECTION 5.** G.S. 15A-1343.2(f) is amended by adding a new subdivision to read:

18 "(f) Delegation to Probation Officer in Intermediate Punishments. – Unless the presiding

20 Division of Community Corrections in the Department of Correction may require an offender

23 law for this ~~supervision;~~supervision.

26 offender's compliance with the condition to be monitored
27 ~~electronically;~~electronically.
- 28 (3) Submit to substance abuse assessment, monitoring or ~~treatment;~~ or treatment,
29 including continuous alcohol monitoring when abstinence from alcohol
30 consumption has been specified as a term of probation.
- 31 (4) Participate in an educational or vocational skills development program.
- 32 (5) Submit to satellite-based monitoring pursuant to Part 5 of Article 27A of
33 Chapter 14 of the General Statutes, if the defendant is described by
34 G.S. 14-208.40(a)(2).

35 If the Division imposes any of the above requirements, then it may subsequently reduce or
36 remove those same requirements.

37 If the probation officer exercises authority delegated to him or her by the court pursuant to
38 this subsection, the offender may file a motion with the court to review the action taken by the
39 probation officer. The offender shall be given notice of the right to seek such a court review.
40 The Division may exercise any authority delegated to it under this subsection only if it first
41 determines that the offender has failed to comply with one or more of the conditions of
42 probation imposed by the court."

43 **SECTION 6.** G.S. 20-19(e1) reads as rewritten:

44 "(e1) Notwithstanding subsection (e) of this section, the Division may conditionally
45 restore the license of a person to whom subsection (e) applies after it has been revoked for at
46 least three years under subsection (e) if the person provides the Division with satisfactory proof
47 of all of the following:

- 48 (1) In the three years immediately preceding the person's application for a
49 restored license, the person has not been convicted in North Carolina or in
50 any other state or federal court of a motor vehicle offense, an alcohol

1 beverage control law offense, a drug law offense, or any criminal offense
2 involving the consumption of alcohol or drugs.

- 3 (2) The person is not currently an excessive user of alcohol, drugs, or
4 prescription drugs, or unlawfully using any controlled substance. The person
5 may voluntarily submit themselves to continuous alcohol monitoring for the
6 purpose of proving abstinence from alcohol consumption during the
7 revocation period. Monitoring periods of 120 days or longer shall be
8 accepted by the Division as evidence of abstinence. The person shall use a
9 continuous alcohol monitoring system approved by the Department of
10 Corrections."

11 **SECTION 7.** G.S. 20-19(e2) reads as rewritten:

12 "(e2) Notwithstanding subsection (e) of this section, the Division may conditionally
13 restore the license of a person to whom subsection (e) applies after it has been revoked for at
14 least 24 months under G.S. 20-17(a)(2) if the person provides the Division with satisfactory
15 proof of all of the following:

- 16 (1) The person has not consumed any alcohol for the 12 months preceding the
17 restoration while being monitored by a continuous alcohol monitoring
18 device of a type approved by the Department of Correction.
- 19 (2) The person has not in the period of revocation been convicted in North
20 Carolina or any other state or federal jurisdiction of a motor vehicle offense,
21 an alcoholic beverage control law offense, a drug law offense, or any other
22 criminal offense involving the possession or consumption of alcohol or
23 drugs.
- 24 (3) The person is not currently an excessive user of alcohol, drugs or
25 prescription drugs. The person may voluntarily submit themselves to
26 continuous alcohol monitoring for the purpose of proving abstinence from
27 alcohol consumption during the revocation period. Monitoring periods of
28 120 days or longer shall be accepted by the Division as evidence of
29 abstinence. The person must use a continuous alcohol monitoring system
30 approved by the Department of Corrections.
- 31 (4) The person is not unlawfully using any controlled substance."

32 **SECTION 8.** G.S. 20-28(a) reads as rewritten:

33 "(a) Driving While License Revoked. – Except as provided in subsection (a1) of this
34 section, any person whose drivers license has been revoked who drives any motor vehicle upon
35 the highways of the State while the license is revoked is guilty of a Class 1 misdemeanor. Upon
36 conviction, the person's license shall be revoked for an additional period of one year for the
37 first offense, two years for the second offense, and permanently for a third or subsequent
38 offense.

39 In cases involving revocation as a result of convictions under G.S. 20-138.1, the judge may
40 order the offender to abstain from alcohol consumption and verify compliance by continuous
41 alcohol monitoring for a minimum period of 90 days instead of incarceration.

42 The restoree of a revoked drivers license who operates a motor vehicle upon the highways
43 of the State without maintaining financial responsibility as provided by law shall be punished
44 as for driving without a license."

45 **SECTION 9.** G.S. 20-179 reads as rewritten:

46 **"§ 20-179. Sentencing hearing after conviction for impaired driving; determination of**
47 **grossly aggravating and aggravating and mitigating factors; punishments.**

48 (a) Sentencing Hearing Required. – After a conviction under G.S. 20-138.1,
49 G.S. 20-138.2, a second or subsequent conviction under G.S. 20-138.2A, or a second or
50 subsequent conviction under G.S. 20-138.2B, or when any of those offenses are remanded back
51 to district court after an appeal to superior court, the judge shall hold a sentencing hearing to

- 1 determine whether there are aggravating or mitigating factors that affect the sentence to be
2 imposed.
- 3 (1) The court shall consider evidence of aggravating or mitigating factors
4 present in the offense that make an aggravated or mitigated sentence
5 appropriate. The State bears the burden of proving beyond a reasonable
6 doubt that an aggravating factor exists, and the offender bears the burden of
7 proving by a preponderance of the evidence that a mitigating factor exists.
- 8 (2) Before the hearing the prosecutor shall make all feasible efforts to secure the
9 defendant's full record of traffic convictions, and shall present to the judge
10 that record for consideration in the hearing. Upon request of the defendant,
11 the prosecutor shall furnish the defendant or his attorney a copy of the
12 defendant's record of traffic convictions at a reasonable time prior to the
13 introduction of the record into evidence. In addition, the prosecutor shall
14 present all other appropriate grossly aggravating and aggravating factors of
15 which he is aware, and the defendant or his attorney may present all
16 appropriate mitigating factors. In every instance in which a valid chemical
17 analysis is made of the defendant, the prosecutor shall present evidence of
18 the resulting alcohol concentration.
- 19 (a1) Jury Trial in Superior Court; Jury Procedure if Trial Bifurcated. –
- 20 (1) Notice. – If the defendant appeals to superior court, and the State intends to
21 use one or more aggravating factors under subsections (c) or (d) of this
22 section, the State must provide the defendant with notice of its intent. The
23 notice shall be provided no later than 10 days prior to trial and shall contain
24 a plain and concise factual statement indicating the factor or factors it
25 intends to use under the authority of subsections (c) and (d) of this section.
26 The notice must list all the aggravating factors that the State seeks to
27 establish.
- 28 (2) Aggravating factors. – The defendant may admit to the existence of an
29 aggravating factor, and the factor so admitted shall be treated as though it
30 were found by a jury pursuant to the procedures in this section. If the
31 defendant does not so admit, only a jury may determine if an aggravating
32 factor is present. The jury impaneled for the trial may, in the same trial, also
33 determine if one or more aggravating factors is present, unless the court
34 determines that the interests of justice require that a separate sentencing
35 proceeding be used to make that determination. If the court determines that a
36 separate proceeding is required, the proceeding shall be conducted by the
37 trial judge before the trial jury as soon as practicable after the guilty verdict
38 is returned. The State bears the burden of proving beyond a reasonable doubt
39 that an aggravating factor exists, and the offender bears the burden of
40 proving by a preponderance of the evidence that a mitigating factor exists.
- 41 (3) Convening the jury. – If prior to the time that the trial jury begins its
42 deliberations on the issue of whether one or more aggravating factors exist,
43 any juror dies, becomes incapacitated or disqualified, or is discharged for
44 any reason, an alternate juror shall become a part of the jury and serve in all
45 respects as those selected on the regular trial panel. An alternate juror shall
46 become a part of the jury in the order in which the juror was selected. If the
47 trial jury is unable to reconvene for a hearing on the issue of whether one or
48 more aggravating factors exist after having determined the guilt of the
49 accused, the trial judge shall impanel a new jury to determine the issue.

- 1 (4) Jury selection. – A jury selected to determine whether one or more
2 aggravating factors exist shall be selected in the same manner as juries are
3 selected for the trial of criminal cases.
- 4 (a2) Jury Trial on Aggravating Factors in Superior Court.
- 5 (1) Defendant admits aggravating factor only. – If the defendant admits that an
6 aggravating factor exists, but pleads not guilty to the underlying charge, a
7 jury shall be impaneled to dispose of the charge only. In that case, evidence
8 that relates solely to the establishment of an aggravating factor shall not be
9 admitted in the trial.
- 10 (2) Defendant pleads guilty to the charge only. – If the defendant pleads guilty
11 to the charge, but contests the existence of one or more aggravating factors,
12 a jury shall be impaneled to determine if the aggravating factor or factors
13 exist.
- 14 (b) Repealed by Session Laws 1983, c. 435, s. 29.
- 15 (c) Determining Existence of Grossly Aggravating Factors. – At the sentencing hearing,
16 based upon the evidence presented at trial and in the hearing, the judge, or the jury in superior
17 court, must first determine whether there are any grossly aggravating factors in the case.
18 Whether a prior conviction exists under subdivision (1) of this subsection, or whether a
19 conviction exists under subdivision (d)(5) of this section, shall be matters to be determined by
20 the judge, and not the jury, in district or superior court. If the sentencing hearing is for a case
21 remanded back to district court from superior court, the judge shall determine whether the
22 defendant has been convicted of any offense that was not considered at the initial sentencing
23 hearing and impose the appropriate sentence under this section. The judge must impose the
24 Level One punishment under subsection (g) of this section if it is determined that two or more
25 grossly aggravating factors apply. The judge must impose the Level Two punishment under
26 subsection (h) of this section if it is determined that only one of the grossly aggravating factors
27 applies. The grossly aggravating factors are:
- 28 (1) A prior conviction for an offense involving impaired driving if:
29 a. The conviction occurred within seven years before the date of the
30 offense for which the defendant is being sentenced; or
31 b. The conviction occurs after the date of the offense for which the
32 defendant is presently being sentenced, but prior to or
33 contemporaneously with the present sentencing; or
34 c. The conviction occurred in district court; the case was appealed to
35 superior court; the appeal has been withdrawn, or the case has been
36 remanded back to district court; and a new sentencing hearing has
37 not been held pursuant to G.S. 20-38.7.
- 38 Each prior conviction is a separate grossly aggravating factor.
- 39 (2) Driving by the defendant at the time of the offense while his driver's license
40 was revoked under G.S. 20-28, and the revocation was an impaired driving
41 revocation under G.S. 20-28.2(a).
- 42 (3) Serious injury to another person caused by the defendant's impaired driving
43 at the time of the offense.
- 44 (4) Driving by the defendant while a child under the age of 16 years was in the
45 vehicle at the time of the offense.

46 In imposing a Level One or Two punishment, the judge may consider the aggravating and
47 mitigating factors in subsections (d) and (e) in determining the appropriate sentence. If there
48 are no grossly aggravating factors in the case, the judge must weigh all aggravating and
49 mitigating factors and impose punishment as required by subsection (f).

50 (c1) Written Findings. – The court shall make findings of the aggravating and mitigating
51 factors present in the offense. If the jury finds factors in aggravation, the court shall ensure that

1 those findings are entered in the court's determination of sentencing factors form or any
2 comparable document used to record the findings of sentencing factors. Findings shall be in
3 writing.

4 (d) Aggravating Factors to Be Weighed. – The judge, or the jury in superior court, shall
5 determine before sentencing under subsection (f) whether any of the aggravating factors listed
6 below apply to the defendant. The judge shall weigh the seriousness of each aggravating factor
7 in the light of the particular circumstances of the case. The factors are:

- 8 (1) Gross impairment of the defendant's faculties while driving or an alcohol
9 concentration of 0.15 or more within a relevant time after the driving. For
10 purposes of this subdivision, the results of a chemical analysis presented at
11 trial or sentencing shall be sufficient to prove the person's alcohol
12 concentration, shall be conclusive, and shall not be subject to modification
13 by any party, with or without approval by the court.
- 14 (2) Especially reckless or dangerous driving.
- 15 (3) Negligent driving that led to a reportable accident.
- 16 (4) Driving by the defendant while his driver's license was revoked.
- 17 (5) Two or more prior convictions of a motor vehicle offense not involving
18 impaired driving for which at least three points are assigned under
19 G.S. 20-16 or for which the convicted person's license is subject to
20 revocation, if the convictions occurred within five years of the date of the
21 offense for which the defendant is being sentenced, or one or more prior
22 convictions of an offense involving impaired driving that occurred more than
23 seven years before the date of the offense for which the defendant is being
24 sentenced.
- 25 (6) Conviction under G.S. 20-141.5 of speeding by the defendant while fleeing
26 or attempting to elude apprehension.
- 27 (7) Conviction under G.S. 20-141 of speeding by the defendant by at least 30
28 miles per hour over the legal limit.
- 29 (8) Passing a stopped school bus in violation of G.S. 20-217.
- 30 (9) Any other factor that aggravates the seriousness of the offense.

31 Except for the factor in subdivision (5) the conduct constituting the aggravating factor shall
32 occur during the same transaction or occurrence as the impaired driving offense.

33 (e) Mitigating Factors to Be Weighed. – The judge shall also determine before
34 sentencing under subsection (f) whether any of the mitigating factors listed below apply to the
35 defendant. The judge shall weigh the degree of mitigation of each factor in light of the
36 particular circumstances of the case. The factors are:

- 37 (1) Slight impairment of the defendant's faculties resulting solely from alcohol,
38 and an alcohol concentration that did not exceed 0.09 at any relevant time
39 after the driving.
- 40 (2) Slight impairment of the defendant's faculties, resulting solely from alcohol,
41 with no chemical analysis having been available to the defendant.
- 42 (3) Driving at the time of the offense that was safe and lawful except for the
43 impairment of the defendant's faculties.
- 44 (4) A safe driving record, with the defendant's having no conviction for any
45 motor vehicle offense for which at least four points are assigned under
46 G.S. 20-16 or for which the person's license is subject to revocation within
47 five years of the date of the offense for which the defendant is being
48 sentenced.
- 49 (5) Impairment of the defendant's faculties caused primarily by a lawfully
50 prescribed drug for an existing medical condition, and the amount of the
51 drug taken was within the prescribed dosage.

1 (6) The defendant's voluntary submission to a mental health facility for
2 assessment after he was charged with the impaired driving offense for which
3 he is being sentenced, and, if recommended by the facility, his voluntary
4 participation in the recommended treatment.

5 (6a) Completion of a substance abuse assessment, compliance with its
6 recommendations, and simultaneously maintaining 60 days of continuous
7 abstinence from alcohol consumption, as proven by a continuous alcohol
8 monitoring system. The continuous alcohol monitoring system shall be of a
9 type approved by the Department of Correction.

10 (7) Any other factor that mitigates the seriousness of the offense.

11 Except for the factors in subdivisions (4), (6), (6a), and (7), the conduct constituting the
12 mitigating factor shall occur during the same transaction or occurrence as the impaired driving
13 offense.

14 (f) Weighing the Aggravating and Mitigating Factors. – If the judge or the jury in the
15 sentencing hearing determines that there are no grossly aggravating factors, the judge shall
16 weigh all aggravating and mitigating factors listed in subsections (d) and (e). If the judge
17 determines that:

18 (1) The aggravating factors substantially outweigh any mitigating factors, the
19 judge shall note in the judgment the factors found and his finding that the
20 defendant is subject to the Level Three punishment and impose a
21 punishment within the limits defined in subsection (i).

22 (2) There are no aggravating and mitigating factors, or that aggravating factors
23 are substantially counterbalanced by mitigating factors, the judge shall note
24 in the judgment any factors found and the finding that the defendant is
25 subject to the Level Four punishment and impose a punishment within the
26 limits defined in subsection (j).

27 (3) The mitigating factors substantially outweigh any aggravating factors, the
28 judge shall note in the judgment the factors found and his finding that the
29 defendant is subject to the Level Five punishment and impose a punishment
30 within the limits defined in subsection (k).

31 It is not a mitigating factor that the driver of the vehicle was suffering from alcoholism, drug
32 addiction, diminished capacity, or mental disease or defect. Evidence of these matters may be
33 received in the sentencing hearing, however, for use by the judge in formulating terms and
34 conditions of sentence after determining which punishment level shall be imposed.

35 (f1) Aider and Abettor Punishment. – Notwithstanding any other provisions of this
36 section, a person convicted of impaired driving under G.S. 20-138.1 under the common law
37 concept of aiding and abetting is subject to Level Five punishment. The judge need not make
38 any findings of grossly aggravating, aggravating, or mitigating factors in such cases.

39 (f2) Limit on Consolidation of Judgments. – Except as provided in subsection (f1), in
40 each charge of impaired driving for which there is a conviction the judge shall determine if the
41 sentencing factors described in subsections (c), (d) and (e) are applicable unless the impaired
42 driving charge is consolidated with a charge carrying a greater punishment. Two or more
43 impaired driving charges may not be consolidated for judgment.

44 (g) Level One Punishment. – A defendant subject to Level One punishment may be
45 fined up to four thousand dollars (\$4,000) and shall be sentenced to a term of imprisonment
46 that includes a minimum term of not less than 30 days and a maximum term of not more than
47 24 months. The term of imprisonment may be suspended only if a condition of special
48 probation is imposed to require the defendant to serve a term of imprisonment of at least 30
49 days. days or if the defendant has abstained from consuming alcohol for at least 180
50 consecutive days, as verified by a continuous alcohol monitoring system approved by the
51 Department of Corrections. If the defendant is placed on probation, the judge shall impose a

1 requirement that the defendant obtain a substance abuse assessment and the education or
2 treatment required by G.S. 20-17.6 for the restoration of a drivers license and as a condition of
3 probation. The judge may impose any other lawful condition of probation.

4 (h) Level Two Punishment. – A defendant subject to Level Two punishment may be
5 fined up to two thousand dollars (\$2,000) and shall be sentenced to a term of imprisonment that
6 includes a minimum term of not less than seven days and a maximum term of not more than 12
7 months. The term of imprisonment may be suspended only if a condition of special probation is
8 imposed to require the defendant to serve a term of imprisonment of at least seven ~~days.~~ days or
9 if the defendant has abstained from consuming alcohol for at least 90 consecutive days, as
10 verified by a continuous alcohol monitoring system approved by the Department of
11 Corrections. If the defendant is placed on probation, the judge shall impose a requirement that
12 the defendant obtain a substance abuse assessment and the education or treatment required by
13 G.S. 20-17.6 for the restoration of a drivers license and as a condition of probation. The judge
14 may impose any other lawful condition of probation.

15 ~~(h1) The judge may impose, as a condition of probation for defendants subject to Level~~
16 ~~One or Level Two punishments, that the defendant abstain from alcohol consumption for a~~
17 ~~minimum of 30 days, to a maximum of 60 days, as verified by a continuous alcohol monitoring~~
18 ~~system. The total cost to the defendant for the continuous alcohol monitoring system may not~~
19 ~~exceed one thousand dollars (\$1,000). The defendant's abstinence from alcohol shall be verified~~
20 ~~by a continuous alcohol monitoring system of a type approved by the Department of~~
21 ~~Correction.~~

22 ~~(h2) Notwithstanding the provisions of subsection (h1), if the court finds, upon good~~
23 ~~cause shown, that the defendant should not be required to pay the costs of the continuous~~
24 ~~alcohol monitoring system, the court shall not impose the use of a continuous alcohol~~
25 ~~monitoring system unless the local governmental entity responsible for the incarceration of the~~
26 ~~defendant in the local confinement facility agrees to pay the costs of the system.~~

27 ~~(h3) Any fees or costs paid pursuant to subsections (h1) or (h2) of this section shall be~~
28 ~~paid to the clerk of court for the county in which the judgment was entered or the deferred~~
29 ~~prosecution agreement was filed. Fees or costs collected under this subsection shall be~~
30 ~~transmitted to the entity providing the continuous alcohol monitoring system.~~

3 applicable to offenses committed on or after that date.
4 (4) Any combination of these conditions.

24 that a term of imprisonment imposed as a condition of special probation under any level of
25 punishment be served as an inpatient in a facility operated or licensed by the State for the
26 treatment of alcoholism or substance abuse where the defendant has been accepted for
27 admission or commitment as an inpatient. The defendant shall bear the expense of any
28 treatment unless the trial judge orders that the costs be absorbed by the State. The judge may
29 impose restrictions on the defendant's ability to leave the premises of the treatment facility and
30 require that the defendant follow the rules of the treatment facility. The judge may credit
31 against the active sentence imposed on a defendant the time the defendant was an inpatient at
32 the treatment facility, provided such treatment occurred after the commission of the offense for
33 which the defendant is being sentenced. This section shall not be construed to limit the
34 authority of the judge in sentencing under any other provisions of law.

46 alcohol monitoring system unless the local governmental entity responsible for the
47 incarceration of the defendant in the local confinement facility agrees to pay the costs of the

3 subsections (i), (j), or (k), the community service shall be completed:

- 4 (1) Within 90 days, if the amount of community service required is 72 hours or
5 more; or
6 (2) Within 60 days, if the amount of community service required is 48 hours; or
7 (3) Within 30 days, if the amount of community service required is 24 hours.

8 The court may extend these time limits upon motion of the defendant if it finds that the
9 defendant has made a good faith effort to comply with the time limits specified in this
10 subsection.

11 (o) Evidentiary Standards; Proof of Prior Convictions. – In the sentencing hearing, the
12 State shall prove any grossly aggravating or aggravating factor beyond a reasonable doubt, and
13 the defendant shall prove any mitigating factor by the greater weight of the evidence. Evidence
14 adduced by either party at trial may be utilized in the sentencing hearing. Except as modified
15 by this section, the procedure in G.S. 15A-1334(b) governs. The judge may accept any
16 evidence as to the presence or absence of previous convictions that he finds reliable but he shall
17 give prima facie effect to convictions recorded by the Division or any other agency of the State
18 of North Carolina. A copy of such conviction records transmitted by the police information
19 network in general accordance with the procedure authorized by G.S. 20-26(b) is admissible in
20 evidence without further authentication. If the judge decides to impose an active sentence of
21 imprisonment that would not have been imposed but for a prior conviction of an offense, the
22 judge shall afford the defendant an opportunity to introduce evidence that the prior conviction
23 had been obtained in a case in which he was indigent, had no counsel, and had not waived his
24 right to counsel. If the defendant proves by the preponderance of the evidence all three above
25 facts concerning the prior case, the conviction may not be used as a grossly aggravating or
26 aggravating factor.

27 (p) Limit on Amelioration of Punishment. – For active terms of imprisonment imposed
28 under this section:

- 29 (1) The judge may not give credit to the defendant for the first 24 hours of time

32 and good or gain time credit may not be used to reduce that mandatory
33 minimum period.
34 (3) The defendant may not be released on parole unless he is otherwise eligible,
35 has served the mandatory minimum period of imprisonment, and has
36 obtained a substance abuse assessment and completed any recommended
37 treatment or training program.

38 With respect to the minimum or specific term of imprisonment imposed as a condition of
39 special probation under this section, the judge may not give credit to the defendant for the first
40 24 hours of time spent in incarceration pending trial.

41 (q) Repealed by Session Laws 1991, c. 726, s. 20.

42 (r) Supervised Probation Terminated. – Unless a judge in his discretion determines that
43 supervised probation is necessary, and includes in the record that he has received evidence and
44 finds as a fact that supervised probation is necessary, and states in his judgment that supervised
45 probation is necessary, a defendant convicted of an offense of impaired driving shall be placed
46 on unsupervised probation if he meets three conditions. These conditions are that he has not
47 been convicted of an offense of impaired driving within the seven years preceding the date of
48 this offense for which he is sentenced, that the defendant is sentenced under subsections (i), (j),
49 and (k) of this section, and has obtained any necessary substance abuse assessment and
50 completed any recommended treatment or training program.

1 When a judge determines in accordance with the above procedures that a defendant should
2 be placed on supervised probation, the judge shall authorize the probation officer to modify the
3 defendant's probation by placing the defendant on unsupervised probation upon the completion
4 by the defendant of the following conditions of his suspended sentence:

- 5 (1) Community service; or
- 6 (2) Repealed by Session Laws 1995 c. 496, s. 2.
- 7 (3) Payment of any fines, court costs, and fees; or
- 8 (4) Any combination of these conditions.

9 (s) Method of Serving Sentence. – The judge in his discretion may order a term of
10 imprisonment to be served on weekends, even if the sentence cannot be served in consecutive
11 sequence. However, if the defendant is ordered to a term of 48 hours or more, or has 48 hours
12 or more remaining on a term of imprisonment, the defendant shall be required to serve 48
13 continuous hours of imprisonment to be given credit for time served.

- 14 (1) Credit for any jail time shall only be given hour for hour for time actually
15 served. The jail shall maintain a log showing number of hours served.
- 16 (2) The defendant shall be refused entrance and shall be reported back to court if
17 the defendant appears at the jail and has remaining in his body any alcohol
18 as shown by an alcohol screening device or controlled substance previously
19 consumed, unless lawfully obtained and taken in therapeutically appropriate
20 amounts.
- 21 (3) If a defendant has been reported back to court under subdivision (2) of this
22 subsection, the court shall hold a hearing. The defendant shall be ordered to
23 serve his jail time immediately and shall not be eligible to serve jail time on
24 weekends if the court determines that, at the time of his entrance to the jail,
 - 25 a. The defendant had previously consumed alcohol in his body as
26 shown by an alcohol screening device, or
 - 27 b. The defendant had a previously consumed controlled substance in his
28 body.

29 It shall be a defense to an immediate service of sentence of jail time and
30 ineligibility for weekend service of jail time if the court determines that
31 alcohol or controlled substance was lawfully obtained and was taken in
32 therapeutically appropriate amounts.

- 33 (t) Repealed by Session Laws 1995, c. 496, s. 2."

34 **SECTION 10.** G.S. 50-13.2 is amended by adding a new subsection to read:

36 visitation require either or both parents, or any other person seeking custody or visitation, to
37 abstain from consuming alcohol and may require submission to an approved continuous alcohol
38 monitoring system to verify compliance with this condition of custody or visitation. Failure to
39 comply with this condition shall be grounds for civil or criminal contempt."

40 **SECTION 11.** This act becomes effective December 1, 2009, and applies to
41 offenses committed or any custody and visitation orders issued on or after that date.
