39 allocated for that child to the State Board, and the State Board shall  
40 reallocate those funds to the local school administrative unit in which the  
41 public school is located. In the event a child with disabilities enrolls in the  
42 regional school during the first 60 school days in the school year, the State  
43 Board shall allocate to the regional school the pro rata amount of additional  
44 funds for children with disabilities.

45 (3) An additional amount for children with limited English proficiency attending  
46 the regional school, based on a formula adopted by the State Board.

47 (b) The State Board shall allow for annual adjustments to the amount allocated to the  
48 regional school based on its enrollment growth in school years subsequent to the initial year of  
49 operation.

50 (c) For each child who enrolls in the regional school, the participating unit in which the  
51 child resides shall transfer to the regional school an amount equal to the per pupil amount of all

1 money appropriated to the local current expense fund for the participating unit for the fiscal  
2 year. The amount transferred under this subsection that consists of revenue derived from  
3 supplemental taxes shall be transferred only if the child enrolled in the regional school resides  
4 in that tax district.

5 **"§ 115C-238.56L. Finance and budget.**

6 (a) The local school administrative unit identified as the finance agent by resolution  
7 pursuant to G.S. 115C-238.56C shall be the finance agent for the Board and shall have all the  
8 rights, duties, and obligations for receipt, accounting, and dispersing funds for the board of  
9 directors, including all the rights, duties, and obligations specified in Article 31 of this Chapter,  
10 which powers shall be exercised by the identified local school administrative unit for and on  
11 behalf of the board of directors. The board of directors shall provide reasonable compensation  
12 to the local school administrative unit for this service.

13 (b) No later than 10 days after the money is appropriated to the local current expense  
14 fund, each local board of education of a participating unit shall transfer to the board of directors  
15 the amount required under G.S. 115C-238.56K(c) for each child enrolled in the school who  
16 resides in that participating unit. Once it has received funds from the local board of education,
