22 supplemental benefit, the amount shall be equally prorated among the retired members of the  
23 Greensboro City Fire Department. Each retired fireman receiving supplemental benefit in  
24 accordance with this act shall receive the same amount of supplemental benefit per month;  
25 provided, that the maximum payment to any retired member of the Greensboro City Fire

30 said eighty percent (80%) which is not paid out during the next fiscal year, shall become a part  
31 of said fund and may be invested as provided in this Act. Should any fireman die, subsequent to  
32 the payment of a supplemental benefit for any preceding month and prior to the payment of any  
33 supplemental benefit in the month in which such fireman dies, then such supplemental benefit  
34 for that month shall be paid to the deceased fireman's personal representative. The board of  
35 trustees shall have the authority and power to promulgate rules and regulations to the end that  
36 the supplemental benefits herein provided may be properly administered and carried out and for  
37 the purpose of achieving the objectives herein sought.

38 **"Sec. 5.** The provisions of Section 4 of this Act shall not become effective as to the  
39 payment of any supplemental benefits thereunder until on and after July 1, 1953.

40 **"Sec. 6.** All laws and clauses of laws in conflict with this Act are hereby repealed.

41 **"Sec. 7.** None of the provisions of this act shall create a liability for the Greensboro  
42 ~~Firemen's-Firefighters'~~ Supplemental Retirement System or for the State of North Carolina  
43 unless sufficient current assets are available in the fund to pay fully for this liability."

44 **SECTION 2.** This act is effective when it becomes law.
