40 charter school's operation, the local school administrative unit may require  
41 that the request for a leave of absence be made up to 45 days before the  
42 teacher would otherwise have to report for duty. After the initial year of a  
43 charter school's operation, the local school administrative unit may require  
44 that the request for a leave of absence be made up to 90 days before the  
45 teacher would otherwise have to report for duty. A local board of education  
46 is not required to grant a request for a leave of absence or a request to extend  
47 or renew a leave of absence for a teacher who previously has received a  
48 leave of absence from that school board under this subdivision. A teacher  
49 who has career status under G.S. 115C-325 prior to receiving a leave of  
50 absence to teach at a charter school may return to a public school in the local  
51 school administrative unit with career status at the end of the leave of

1 absence or upon the end of employment at the charter school if an  
2 appropriate position is available. If an appropriate position is unavailable,  
3 the teacher's name shall be placed on a list of available teachers and that  
4 teacher shall have priority on all positions for which that teacher is qualified  
5 in accordance with G.S. 115C-325(e)(2).

6 (4) The employees of the charter school shall be deemed employees of the local  
7 school administrative unit for purposes of providing certain State-funded  
8 employee benefits, including membership in the Teachers' and State  
9 Employees' Retirement System and the State Health Plan for Teachers and  
10 State Employees. ~~The State Board of Education provides funds to charter~~  
11 ~~schools.~~ Charter Board approves the original members of the boards of  
12 directors of the charter schools, has the authority to grant, supervise, and  
13 revoke charters, and demands full accountability from charter schools for  
14 school finances and student performance. Accordingly, it is the  
15 determination of the General Assembly that charter schools are public  
16 schools and that the employees of charter schools are public school  
17 employees. Employees of a charter school whose board of directors elects to  
18 become a participating employer under G.S. 135-5.3 are "teachers" for the  
19 purpose of membership in the North Carolina Teachers' and State  
20 Employees' Retirement System. In no event shall anything contained in this  
21 Part require the North Carolina Teachers' and State Employees' Retirement  
22 System to accept employees of a private employer as members or  
23 participants of the System.

24 (5) Education employee associations shall have equal access to charter school  
25 employees as provided in G.S. 115C-335.9.

26 (6) Each charter school board of directors shall adopt a policy on whether and  
27 under what circumstances an applicant for employment shall be required to  
28 be checked for a criminal history before the applicant is given an  
29 unconditional job offer. Each charter school board of directors shall apply its  
30 policy uniformly in requiring applicants for employment to be checked for a  
31 criminal history. A charter school board of directors that requires a criminal  
32 history check for an applicant may employ an applicant conditionally while  
33 the board is checking the person's criminal history and making a decision  
34 based on the results of the check.

35 (f) Accountability. –

36 (1) The school is subject to the financial audits, the audit procedures, and the  
37 audit requirements adopted by the ~~State Charter Board of Education~~ for  
38 charter schools. These audit requirements may include the requirements of  
39 the School Budget and Fiscal Control Act.

40 (2) The school shall comply with the reporting requirements established by the  
41 State Board of Education in the Uniform Education Reporting  
42 ~~System.~~ System, except that reports shall be made to the Charter Board as  
43 well as the State Board of Education.

44 (3) The school shall report at least annually to the ~~chartering entity and the~~  
45 ~~State Charter Board of Education~~ the information required by the ~~chartering~~  
46 ~~entity or the State Charter~~ Board.

47 (g) Admission Requirements. –

48 (1) Any child who is qualified under the laws of this State for admission to a  
49 public school is qualified for admission to a charter school.

50 (2) No local board of education shall require any student enrolled in the local  
51 school administrative unit to attend a charter school.

- 1 (3) Admission to a charter school shall not be determined according to the  
2 school attendance area in which a student resides, except that any local  
3 school administrative unit in which a public school converts to a charter  
4 school shall give admission preference to students who reside within the  
5 former attendance area of that school.
- 6 (4) Admission to a charter school shall not be determined according to the local  
7 school administrative unit in which a student resides.
- 8 (5) A charter school shall not discriminate against any student on the basis of  
9 ethnicity, national origin, gender, or disability. Except as otherwise provided  
10 by law or the mission of the school as set out in the charter, the school shall  
11 not limit admission to students on the basis of intellectual ability, measures  
12 of achievement or aptitude, athletic ability, disability, race, creed, gender,  
13 national origin, religion, or ancestry. The charter school may give enrollment  
14 priority to siblings of currently enrolled students who were admitted to the  
15 charter school in a previous year and to children of the school's principal,  
16 teachers, and teacher assistants. In addition, and only for its first year of  
17 operation, the charter school may give enrollment priority to children of the  
18 initial members of the charter school's board of directors, so long as (i) these  
19 children are limited to no more than ten percent (10%) of the school's total  
20 enrollment or to 20 students, whichever is less, and (ii) the charter school is  
21 not a former public or private school. If multiple ~~birth~~-siblings apply for  
22 admission to a charter school and a lottery is needed under  
23 G.S. 115C-238.29F(g)(6), the charter school shall enter one surname into the  
24 lottery to represent all of the multiple ~~birth~~-siblings. If that surname of the  
25 multiple ~~birth~~-siblings is selected, then all of the multiple ~~birth~~-siblings shall  
26 be admitted. Within one year after the charter school begins operation, the  
27 population of the school shall make efforts to reasonably reflect the racial  
28 and ethnic composition of the general population residing within the local  
29 school administrative unit in which the school is located or the racial and  
30 ethnic composition of the special population that the school seeks to serve  
31 residing within the local school administrative unit in which the school is  
32 located. The school shall be subject to any court-ordered desegregation plan  
33 in effect for the local school administrative unit.
- 34 (6) During each period of enrollment, the charter school shall enroll an eligible  
35 student who submits a timely application, unless the number of applications  
36 exceeds the capacity of a program, class, grade level, or building. In this  
37 case, students shall be accepted by lot. Once enrolled, students are not  
38 required to reapply in subsequent enrollment periods.
- 39 (7) Notwithstanding any law to the contrary, a charter school may refuse  
40 admission to any student who has been expelled or suspended from a public  
41 school under G.S. 115C-390.5 through G.S. 115C-390.11 until the period of  
42 suspension or expulsion has expired.
- 43 (h) Transportation. – The charter school may provide transportation for students  
44 enrolled at the school. The charter school shall develop a transportation plan so that  
45 transportation is not a barrier to any student who resides in the local school administrative unit  
46 in which the school is located. The charter school is not required to provide transportation to  
47 any student who lives within one and one-half miles of the school. At the request of the charter  
48 school and if the local board of the local school administrative unit in which the charter school  
49 is located operates a school bus system, then that local board may contract with the charter  
50 school to provide transportation in accordance with the charter school's transportation plan to  
51 students who reside in the local school administrative unit and who reside at least one and

1 one-half miles of the charter school. A local board may charge the charter school a reasonable  
2 charge that is sufficient to cover the cost of providing this transportation. Furthermore, a local  
3 board may refuse to provide transportation under this subsection if it demonstrates there is no  
4 available space on buses it intends to operate during the term of the contract or it would not be  
5 practically feasible to provide this transportation.

6 (i) Assets. – Upon dissolution of the charter school or upon the nonrenewal of the  
7 charter, all net assets of the charter school purchased with public funds shall be deemed the  
8 property of the ~~local school administrative unit in which the charter school is located.~~ State  
9 assets shall be returned to the General Fund.

10 (j) Driving Eligibility Certificates. – In accordance with rules adopted by the State  
11 Board of Education, the designee of the school's board of directors shall do all of the following:

- 12 (1) Sign driving eligibility certificates that meet the conditions established in  
13 G.S. 20-11.
- 14 (2) Obtain the necessary written, irrevocable consent from parents, guardians, or  
15 emancipated juveniles, as appropriate, in order to disclose information to the  
16 Division of Motor Vehicles.
- 17 (3) Notify the Division of Motor Vehicles when a student who holds a driving  
18 eligibility certificate no longer meets its conditions.

19 (k) The Display of the United States and North Carolina Flags and the Recitation of the  
20 Pledge of Allegiance. – A charter school shall (i) display the United States and North Carolina  
21 flags in each classroom when available, (ii) require the recitation of the Pledge of Allegiance on  
22 a daily basis, and (iii) provide age-appropriate instruction on the meaning and historical origins  
23 of the flag and the Pledge of Allegiance. A charter school shall not compel any person to stand,  
24 salute the flag, or recite the Pledge of Allegiance. If flags are donated or are otherwise  
25 available, flags shall be displayed in each classroom.

26 (l) North Carolina School Report Cards. – A charter school shall ensure that the report  
27 card issued for it by the State Board of Education receives wide distribution to the local press  
28 or is otherwise provided to the public. A charter school shall ensure that the overall school  
29 performance score and grade earned by the charter school for the current and previous four  
30 school years is prominently displayed on the school Web site. If a charter school is awarded a  
31 grade of D or F, the charter school shall provide notice of the grade in writing to the parent or  
32 guardian of all students enrolled in that school."

33 **SECTION 1.(g)** G.S. 115C-238.29G reads as rewritten:

34 "**§ 115C-238.29G. Causes for nonrenewal or termination; disputes.**

40 charter;
- 41 (2) Failure to meet generally accepted standards of fiscal management;

49 school and shall identify charter schools with inadequate performance. The criteria shall  
50 include a requirement that a charter school which demonstrates no growth in student

1 performance and has annual performance composites below sixty percent (60%) in any two  
2 years in a three-year period is inadequate.

3 (1) If a charter school is inadequate in the first five years of the charter, the  
4 charter school shall develop a strategic plan to meet specific goals for  
5 student performance that are consistent with ~~State-Charter~~ Board criteria and  
6 the mission approved in the charter school. The strategic plan shall be

20 address contractual and other grievances between a charter school and its chartering entity or

32 proceedings shall be conducted in private. Evidence of statements made and conduct occurring  
33 in a mediation are not subject to discovery and are inadmissible in any court action. However,  
34 no evidence otherwise discoverable is inadmissible merely because it is presented or discussed  
35 in a mediation. The mediator shall not be compelled to testify or produce evidence concerning  
36 statements made and conduct occurring in a mediation in any civil proceeding for any purpose,  
37 except disciplinary hearings before the State Bar or any agency established to enforce standards  
38 of conduct for mediators. The mediator may determine that an impasse exists and discontinue  
39 the mediation at any time. The mediator shall not make any recommendations or public  
40 statement of findings or conclusions. The ~~State-Charter~~ Board and the charter school shall share  
41 equally the mediator's compensation and expenses. The mediator's compensation shall be  
42 determined according to rules adopted under Chapter 7A of the General Statutes."
