6 "(4) To the extent funds are made available, the State Board of Education shall
7 plan for and require the administration of the ACT test for all students in the
8 eleventh grade unless the student has already taken a comparable test and
9 scored at or above a level set by the State Board. The State Board of
10 Education shall require the administration of an alternate to the ACT or an
11 alternate to the PLAN precursor test to the ACT to a student who (i) exhibits
12 severe and pervasive delays in all areas of conceptual, linguistic, and
13 academic development and in adaptive behaviors, including communication,

17 to admission into a college-level course of study resulting in a college
18 degree, and (iii) has a written parental request for an alternate assessment.

19 (a) The State Board of Education shall ensure that parents of students
20 enrolled in all public schools, including charter and regional schools,
21 have the necessary information to make informed decisions regarding
22 participation in the ACT and the PLAN precursor test to the ACT.

23 (b) Alternate assessment and ACT assessment results of students with
24 disabilities shall be included in school accountability reports,
25 including charter and regional schools, provided by the State Board
26 of Education."

27 **SECTION 2.** G.S. 115C-174.22 reads as rewritten:

28 **"§ 115C-174.22. Tools for student learning.**

29 To the extent funds are made available for this purpose, and except as otherwise provided in
30 G.S. 115C-174.11(c)(4), the State Board shall plan for and require the administration of
31 diagnostic tests in the eighth and tenth grades that align to the ACT test in order to help
32 diagnose student learning and provide for students an indication of whether they are on track to
33 be remediation-free at a community college or university."

1 **SECTION 3.** The State Board of Education shall develop an alternate assessment
2 to measure career and college readiness for students who are not required to take the ACT or
3 PLAN under this act. Pilot testing for the alternate ACT assessment shall occur simultaneously
4 with the ACT administration during the 2013-2014 school year. Pilot testing for the alternate
5 PLAN assessment shall occur simultaneously with the PLAN administration during the
