A city may adopt an ordinance providing that a fee charged by the city for sewer services and remaining unpaid for a period of 90 days may be collected in any manner by which delinquent personal or real property taxes can be collected. If the ordinance states that delinquent fees may be collected in the same manner as delinquent real property taxes, the delinquent fees are a lien on the real property owned by the person contracting with the city for the service, and the ordinance shall provide for an appeals process. If a lien is placed on real property, the lien shall be valid from the time of filing in the office of the clerk of superior court of the county in which the service was provided and shall include a statement containing the name and address of the person against whom the lien is claimed, the name of the city claiming the lien, the specific service that was provided, the amount of the unpaid charge for that service, and the date and place of furnishing that service. A lien on real property is not effective against an interest in real property conveyed after the fees become delinquent if the interest is recorded in the office of the register of deeds prior to the filing of the lien for delinquent water or sewer services. No lien under this act shall be valid unless filed in accordance with this section after 90 days of the date of the failure to pay for the service or availability fees and within 180 days of the date of the failure to pay for the service or fees. The lien may be discharged as provided in G.S. 44-48.

The city shall adopt an appeals process providing notice and an opportunity to be heard in protest of the imposition of such liens. The county tax office, once notified of the city's lien, shall include the lien amount on any tax bills printed subsequent to the notification. The county tax office shall add or remove liens from the tax bill at the request of the city (such as in the case of an appeal where the city decides to cancel the lien).

(2) This <u>aet_section</u> applies <u>only</u> to the City of Locust and to the Towns of New London Bolton, Fairmont, La Grange, New London, Pembroke, Proctorville, Rowland, St. Pauls, and Stanfield."

SECTION 3. This act is effective when it becomes law.
