The General Assembly of North Carolina enacts:

SECTION 1. G.S. 58-50-30(a3) reads as rewritten:

"(a3) Whenever any health benefit plan, subscriber contract, or policy of insurance issued by a health maintenance organization, hospital or medical service corporation, or insurer governed by Articles 1 through 67 of this Chapter provides coverage for medically necessary treatment, the insurer shall not impose any limitation on treatment or levels of coverage if performed by a duly licensed chiropractor acting within the scope of the chiropractor's practice as defined in G.S. 90-151 unless a comparable limitation is imposed on the medically necessary treatment if performed or authorized by any other duly licensed physician.
