A copy of the recording and the written 21 comments, data, facts, opinions, and arguments received in response to the 22 proposed rulemaking shall be made available to a person upon request. 23 Nothing in this section shall be construed as requiring a separate hearing on <u>(4)</u> 24 each proposed Rule. Proposed Rules may be grouped for the convenience of 25 the Commission at hearings required by this section. 26 Following the public hearing the Commission shall consider all written and oral <u>(i)</u> 27 comments timely received. 28 The Commission shall, by majority vote of all delegates, take final action on the (k) 29 proposed Rule and shall determine the effective date of the Rule, if adopted, based on the 30 Rulemaking record and the full text of the Rule. 31 If adopted, the Rule shall be posted on the Commission's website. (1) 32 The Commission may adopt changes to the proposed Rule provided the **(2)** 33 changes do not enlarge the original purpose of the proposed Rule. 34 The Commission shall provide on its website an explanation of the reasons for **(3)** 35 substantive changes made to the proposed Rule as well as reasons for 36 substantive changes not made that were recommended by commenters. 37 <u>(4)</u> The Commission shall determine a reasonable effective date for the Rule. Except for an emergency as provided in subsection (l) of this section, the 38 39 effective date of the Rule shall be no sooner than thirty (30) days after the 40 Commission issued the notice that it adopted the Rule. 41 Upon determination that an emergency exists, the Commission may consider and (l)42 adopt an emergency Rule with twenty-four (24) hours prior notice, without the opportunity for 43 comment, or hearing, provided that the usual rulemaking procedures provided in this Compact and in this section shall be retroactively applied to the Rule as soon as reasonably possible, in no 44 45 event later than ninety (90) days after the effective date of the Rule. For the purposes of this 46 provision, an emergency Rule is one that must be adopted immediately by the Commission in

(m) The Commission or an authorized committee of the Commission may direct revisions to a previously adopted Commission Rule for purposes of correcting typographical errors, errors in format, errors in consistency, or grammatical errors. Public notice of any revisions shall be posted on the website of the Commission. The revision shall be subject to challenge by any person for a period of thirty (30) days after posting. The revision may be challenged only on grounds that the revision results in a material change to a Rule. A challenge shall be made as set forth in the notice of revisions and delivered to the Commission prior to the end of the notice period. If no challenge is made, the revision will take effect without further action. If the revision is challenged, the revision may not take effect without the approval of the Commission.

(n) No Participating State's rulemaking requirements shall apply under this Compact.

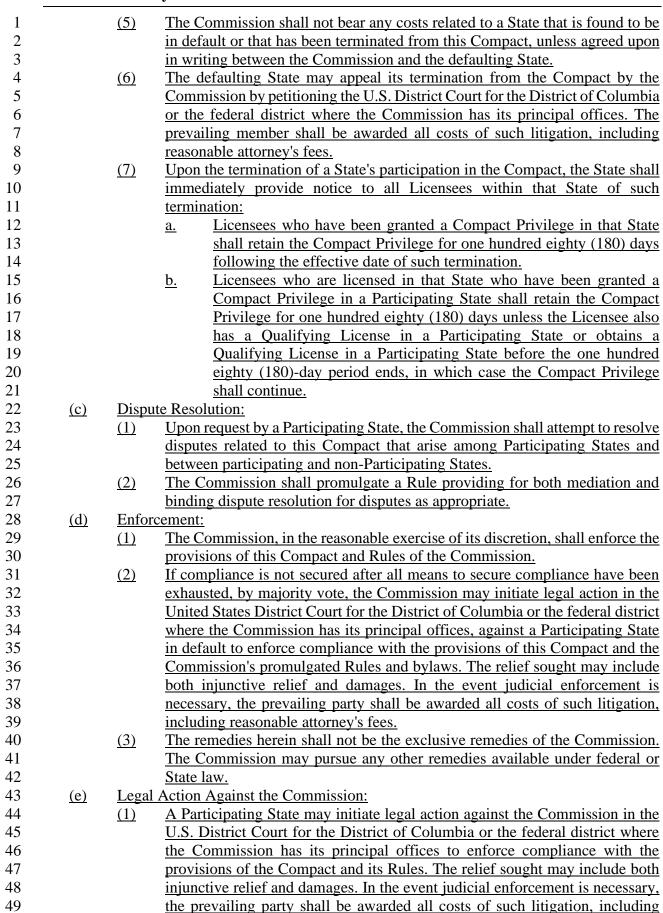

"§ 90-270.209. Oversight, Dispute Resolution, and Enforcement.

(a) Oversight:

- (1) The executive and judicial branches of State government in each Participating
 State shall enforce this Compact and take all actions necessary and appropriate
 to implement the Compact.
- Venue is proper and judicial proceedings by or against the Commission shall be brought solely and exclusively in a court of competent jurisdiction where the principal office of the Commission is located. The Commission may waive venue and jurisdictional defenses to the extent it adopts or consents to participate in alternative dispute resolution proceedings. Nothing herein shall affect or limit the selection or propriety of venue in any action against a licensee for professional malpractice, misconduct or any such similar matter.
- The Commission shall be entitled to receive service of process in any proceeding regarding the enforcement or interpretation of the Compact or the Commission's Rules and shall have standing to intervene in such a proceeding for all purposes. Failure to provide the Commission with service of process shall render a judgment or order in such proceeding void as to the Commission, this Compact, or Commission Rules.

(b) Default, Technical Assistance, and Termination:

- (1) If the Commission determines that a Participating State has defaulted in the performance of its obligations or responsibilities under this Compact or the Commission Rules, the Commission shall provide written notice to the defaulting State and other Participating States. The notice shall describe the default, the proposed means of curing the default and any other action that the Commission may take and shall offer remedial training and specific technical assistance regarding the default.
- (2) If a State in default fails to cure the default, the defaulting State may be terminated from this Compact upon an affirmative vote of a majority of the delegates of the Participating States, and all rights, privileges and benefits conferred by this Compact upon such State may be terminated on the effective date of termination. A cure of the default does not relieve the offending State of obligations or liabilities incurred during the period of default.
- (3) Termination of participation in this Compact shall be imposed only after all other means of securing compliance have been exhausted. Notice of intent to suspend or terminate shall be given by the Commission to the governor, the majority and minority leaders of the defaulting State's legislature, and to the Licensing Board(s) of each of the Participating States.
- (4) A State that has been terminated is responsible for all assessments, obligations, and liabilities incurred through the effective date of termination, including obligations that extend beyond the effective date of termination.

1 No person other than a Participating State shall enforce this Compact against (2) 2 the Commission. 3 "§ 90-270.210. Date of Implementation of the PA Licensure Compact Commission. 4 This Compact shall come into effect on the date on which this Compact statute is 5 enacted into law in the seventh Participating State. 6 On or after the effective date of the Compact, the Commission shall convene (1) 7 and review the enactment of each of the States that enacted the Compact prior 8 to the Commission convening ("Charter Participating States") to determine if 9 the statute enacted by each such Charter Participating State is materially 10 different than the Model Compact. 11 A Charter Participating State whose enactment is found to be <u>a.</u> 12 materially different from the Model Compact shall be entitled to the default process set forth in G.S. 90-270.209(b). 13 14 If any Participating State later withdraws from the Compact or its <u>b.</u> participation is terminated, the Commission shall remain in existence 15 and the Compact shall remain in effect even if the number of 16 17 Participating States should be less than seven. Participating States 18 enacting the Compact subsequent to the Commission convening shall 19 be subject to the process set forth in G.S. 90-270.206(c)(21) to 20 determine if their enactments are materially different from the Model 21 Compact and whether they qualify for participation in the Compact. 22 <u>(2)</u> Participating States enacting the Compact subsequent to the seven initial Charter Participating States shall be subject to the process set forth in 23 24 G.S. 90-270.206(c)(21) to determine if their enactments are materially 25 different from the Model Compact and whether they qualify for participation 26 in the Compact. 27 All actions taken for the benefit of the Commission or in furtherance of the <u>(3)</u> 28 purposes of the administration of the Compact prior to the effective date of 29 the Compact or the Commission coming into existence shall be considered to 30 be actions of the Commission unless specifically repudiated by the 31 Commission. 32 Any State that joins this Compact shall be subject to the Commission's Rules and 33 bylaws as they exist on the date on which this Compact becomes law in that State. Any Rule that 34 has been previously adopted by the Commission shall have the full force and effect of law on the 35 day this Compact becomes law in that State. 36 Any Participating State may withdraw from this Compact by enacting a statute (c) 37 repealing the same. 38 (1) A Participating State's withdrawal shall not take effect until one hundred 39 eighty (180) days after enactment of the repealing statute. During this one 40 hundred eighty (180) day-period, all Compact Privileges that were in effect in 41 the withdrawing State and were granted to Licensees licensed in the 42 withdrawing State shall remain in effect. If any Licensee licensed in the 43 withdrawing State is also licensed in another Participating State or obtains a license in another Participating State within the one hundred eighty (180) 44 45 days, the Licensee's Compact Privileges in other Participating States shall not 46 be affected by the passage of the one hundred eighty (180) days. 47 Withdrawal shall not affect the continuing requirement of the State Licensing <u>(2)</u> 48 Board(s) of the withdrawing State to comply with the investigative, and 49 Adverse Action reporting requirements of this Compact prior to the effective

- (3) Upon the enactment of a statute withdrawing a State from this Compact, the State shall immediately provide notice of such withdrawal to all Licensees within that State. Such withdrawing State shall continue to recognize all licenses granted pursuant to this Compact for a minimum of one hundred eighty (180) days after the date of such notice of withdrawal.

- (d) Nothing contained in this Compact shall be construed to invalidate or prevent any PA licensure agreement or other cooperative arrangement between Participating States and between a Participating State and non-Participating State that does not conflict with the provisions of this Compact.

(e) This Compact may be amended by the Participating States. No amendment to this Compact shall become effective and binding upon any Participating State until it is enacted materially in the same manner into the laws of all Participating States as determined by the Commission.

"§ 90-270.211. Construction and Severability.

- (a) This Compact and the Commission's rulemaking authority shall be liberally construed so as to effectuate the purposes, and the implementation and administration of the Compact. Provisions of the Compact expressly authorizing or requiring the promulgation of Rules shall not be construed to limit the Commission's rulemaking authority solely for those purposes.
- (b) The provisions of this Compact shall be severable and if any phrase, clause, sentence or provision of this Compact is held by a court of competent jurisdiction to be contrary to the constitution of any Participating State, a State seeking participation in the Compact, or of the United States, or the applicability thereof to any government, agency, person or circumstance is held to be unconstitutional by a court of competent jurisdiction, the validity of the remainder of this Compact and the applicability thereof to any other government, agency, person or circumstance shall not be affected thereby.
- (c) Notwithstanding subsection (b) of this section, the Commission may deny a State's participation in the Compact or, in accordance with the requirements of G.S. 90-270.209(b), terminate a Participating State's participation in the Compact, if it determines that a constitutional requirement of a Participating State is, or would be with respect to a State seeking to participate in the Compact, a material departure from the Compact. Otherwise, if this Compact shall be held to be contrary to the constitution of any Participating State, the Compact shall remain in full force and effect as to the remaining Participating States and in full force and effect as to the Participating State affected as to all severable matters.

"§ 90-270.212. Binding Effect of Compact.

- (a) Nothing herein prevents the enforcement of any other law of a Participating State that is not inconsistent with this Compact.
- (b) Any laws in a Participating State in conflict with this Compact are superseded to the extent of the conflict.
- (c) All agreements between the Commission and the Participating States are binding in accordance with their terms."
