

Article 49D.

Poultry Products Inspection Act.

**§ 106-549.49. Short title.**

This Article shall be designated as the North Carolina Poultry Products Inspection Act. (1971, c. 677, s. 1.)

**§ 106-549.50. Purpose and policy.**

(a) Poultry and poultry products are an important source of the nation's total supply of food. It is essential in the public interest that the health and welfare of consumers be protected by assuring that slaughtered poultry and poultry products distributed to them are wholesome, not adulterated, and properly marked, labeled, and packaged. Unwholesome, adulterated, or misbranded poultry or poultry products are injurious to the public welfare, destroy markets for wholesome, not adulterated, and properly labeled and packaged poultry and poultry products, and result in sundry losses to poultry producers and processors of poultry and poultry products, as well as injury to consumers. The unwholesome, adulterated, mislabeled, or deceptively packaged articles can be sold at lower prices and compete unfairly with the wholesome, not adulterated, and properly labeled and packaged articles, to the detriment of consumers and the public generally. It is hereby found that regulation by the Board and cooperation by this State and the United States as contemplated by this Article are appropriate to protect the health and welfare of consumers and otherwise effectuate the purposes of this Article.

(b) It is hereby declared to be the policy of the General Assembly to provide for the inspection of poultry and poultry products and otherwise regulate the processing and distribution of such articles as hereinafter prescribed to prevent the movement or sale in intrastate commerce of poultry and poultry products which are adulterated or misbranded. It is the intent of the General Assembly that when poultry and poultry products are condemned because of disease, the reason for condemnation in such instances shall be supported by scientific fact, information, or criteria, and such condemnation under this Article shall be achieved through uniform inspection standards and uniform application thereof. (1971, c. 677, ss. 2, 3.)

**§ 106-549.51. Definitions.**

For purposes of this Article, the following terms shall have the meanings stated below:

  - b.
    1. If it bears or contains (by reason of administration of any substance to the live poultry or otherwise) any added poisonous or added deleterious substance (other than one which is a pesticide chemical in or on a raw agricultural commodity; a food additive; or a color additive) which may, in the judgment of the Commissioner, make such article unfit for human food;

unsafe within the meaning of section 408 of the Federal Food, Drug, and Cosmetic Act;

- c. If it consists in whole or in part of any filthy, putrid, or decomposed substance or is for any other reason unsound, unhealthful, unwholesome, or otherwise unfit for human food;
  - d. If it has been prepared, packed, or held under insanitary conditions whereby it may have become contaminated with filth, or whereby it may have been rendered injurious to health;

  - h. If any valuable constituent has been in whole or in part omitted or abstracted therefrom; or if any substance has been substituted, wholly or in part therefor; or if damage or inferiority has been concealed in any manner; or if any substance has been added thereto or mixed or packed therewith so as to increase its bulk or weight, or reduce its quality or strength, or make it appear better or of greater value than it is.

**§ 106-549.53. Inspection; condemnation of adulterated poultry.**

(a) For the purpose of preventing the entry into or flow or movement in intrastate commerce of any poultry product which is capable of use as human food and is adulterated, the Commissioner shall, where and to the extent considered by him necessary, cause to be made by inspectors antemortem inspection of poultry in each official establishment engaged in processing poultry or poultry products solely for intrastate commerce.

(b) The Commissioner, whenever processing operations are being conducted, shall cause to be made by inspectors postmortem inspection of the carcass of each bird processed, and at any time such quarantine, segregation and reinspection as he deems necessary of poultry and poultry products capable of use as human food in each official establishment engaged in processing such poultry or poultry products solely for intrastate commerce.

(c) All poultry carcasses and parts thereof and other poultry products found to be adulterated shall be condemned and shall, if no appeal be taken from such determination of condemnation, be destroyed for human food purposes under the supervision of an inspector: Provided, that carcasses, parts, and products, which may by reprocessing be made not adulterated, need not be so condemned and destroyed if so reprocessed under the supervision of an inspector and thereafter found to be not adulterated. If an appeal be taken from such determination, the carcasses, parts, or products shall be appropriately marked and segregated pending completion of an appeal inspection, which appeal shall be at the cost of the appellant if the Commissioner determines that the appeal is frivolous. (b) The Board, whenever it determines such action is necessary for the protection of the public, may prescribe:

(d) If the Commissioner has reason to believe that any marking or labeling or the size or form of any container in use or proposed for use with respect to any article subject to this Article is false or misleading in any particular, he may direct that such use be withheld unless the marking, labeling, or container is modified in such manner as he may prescribe so that it will not be false or misleading. A person who uses or proposes to use the marking, labeling, or container and who does not accept the determination of the Commissioner may commence a contested case under G.S.

150B-23. If directed by the Commissioner, the marking, labeling, or container may not be used pending a final decision. (1971, c. 677, s. 8; 1973, c. 1331, s. 3; 1987, c. 827, s. 36; 1989, c. 770, s. 26.)

(a1) The Commissioner may assess a civil penalty of not more than five thousand dollars (\$5,000) against any person who violates a provision of this Article or any rule adopted under this Article. Nothing in this Article shall be construed as requiring the Commissioner or his authorized representative to report for criminal prosecution of this Article whenever he believes that the public interest will be adequately served and compliance with the Article obtained by a suitable written notice or warning. (1971, c. 677, s. 13; 1973, c. 47, s. 2.)

**§ 106-549.61. Regulations authorized.**

(a) The Commissioner may by regulations prescribe conditions under which poultry products capable of use as human food shall be stored or otherwise handled by any person engaged in the business of buying, selling, freezing, storing, or transporting, in or for intrastate commerce, such articles, whenever the Commissioner deems such action necessary to assure that such articles will not be adulterated or misbranded when delivered to the consumer. Violation of any such regulation is prohibited.

(b) The Board shall promulgate such other rules and regulations as are necessary to carry out the provisions of this Article.

(c) When opportunity is afforded for submission of comments by interested persons on proposed rules or regulations under this Article, it shall include opportunity for oral presentation of views. (1971, c. 677, s. 14.)

**§ 106-549.62. Intrastate operations exemptions.**

(a) The Board shall, by regulation and under such conditions, including requirements, as to sanitary standards, practices, and procedures as it may prescribe, exempt from specific provisions of this Article with respect to processing of poultry or poultry products solely for intrastate commerce and distribution of poultry or poultry products only in such commerce:

- (1) Retail dealers with respect to poultry products sold directly to consumers in individual retail stores, if the only processing operation performed by such retail dealers is the cutting up of poultry products on the premises where such sales to consumers are made;
- (2) For such period of time as the Commissioner determines that it would be impracticable to provide inspection and the exemption will aid in the effective administration of this Article, any person engaged in the processing of poultry or poultry products and the poultry or poultry products processed by such person: Provided, however, that no such exemption shall continue in effect more than 120 days after enactment of this Article;
- (3) Persons slaughtering, processing, or otherwise handling poultry or poultry products which have been or are to be processed as required by recognized religious dietary laws, to the extent that the Commissioner determines

necessary to avoid conflict with such requirements while still effectuating the purposes of this Article;
